The Gagging of God D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response *Messianic 'I' and Rastafari in New Testament Dialogue*

Delano Vincent Palmer, 2010-04-13 Anyone familiar with the Rastafari movement and its connection with the Bible is struck by the prevalence of messianic I locution found in both As the phenomenon is important in the canonical Testaments more so within the New Testament this study seeks to investigate its significance in certain epistolary pieces Romans 7 14 25 15 14 33 the bio Narratives and the Apocalypse in their historical and cultural milieu The next stage of the investigation then compares the findings of the aforementioned New Testament books with corresponding statements of the Rasta community in order to determine their relevance for the ongoing Anglophone theological enterprise In sum this study seeks to bring into critical dialogue the permutative messianic I of the New Testament with the self understanding of Rastafari **Engaging**

Deconstructive Theology Ronald T. Michener, 2007 *Engaging Deconstructive Theology* presents an evangelical approach for theological conversation with postmodern thinkers Themes are considered from Derrida Foucault Mark C Taylor Rorty and Cupitt developing dialogue from an open minded evangelical perspective Ron Michener draws upon insights from radical postmodern thought and seeks to advance an apologetic approach to the Christian faith that acknowledges a mosaic of human sources including experience literature and the imagination *Sacred Texts and Paradigmatic Revolutions* J. David Stark, 2014-01-16 This volume applies a rhetorical discourse method to the Yahadic manuscripts and Romans to show how community leaders uniquely determined specific hermeneutical rules axioms and paradigms for their communities Stark examines the Yahadic texts using Thomas Kuhn's arguments about scientific paradigms and their shifts as a framework for considering the patterns through which Paul and the Yahad interpret their scriptures Stark outlines the three ways in which

the Teacher determined the perspective from which the Yahad approached its scriptures Following this he analyses the Romans and the three thematic ways that Jesus determined the perspective from which Paul approached his scriptures Despite strong similarities between them the paradigms under which the Yahad and Paul operated moved them to fundamentally different understanding of the kinds of faithfulness they should exhibit towards those whom they received as Yahweh s appointed agents The Yahad understood faithfulness to the Teacher within the context of Torah but Paul understood the Torah within the context of Abraham style faithfulness to Jesus The Publishers Weekly ,1998

American Book Publishing Record ,1995 **Forthcoming Books** Rose Arny,2002-02 **AB Bookman's Weekly** ,1997 **Right With God** D. A. Carson,2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world Christ and Culture Revisited D. A. Carson,2012-01-31 Called to live in the world but not to be of it Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo Christian roots How should members of the church interact with such a culture especially as deeply enmeshed as most of us have become In this award winning book now in paperback and with a new preface D A Carson applies his masterful touch to that problem After exploring the classic typology of H Richard Niebuhr with its five Christ culture options Carson offers an even more comprehensive paradigm for informing the Christian worldview More than just theoretical Christ and Culture Revisited is a practical guide for helping Christians untangle current messy debates about living in the world
