The Shack William P. Young, 2008-06-20 Over 25 Million Copies Sold After his daughter's murder a grieving father confronts God with desperate questions and finds unexpected answers in this riveting and deeply moving 1 NYT bestseller When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation he remains hopeful that she'll return home But then he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness Four years later in this midst of his great sadness Mack receives a suspicious note that's supposedly from God inviting him back to that shack for a weekend Against his better judgment he arrives on a wintry afternoon and walks back into his darkest nightmare What he finds there will change his life forever *The Wounded Angel* Paul

Lakeland, 2017-02-10 In this unique book readers are taken on a journey to explore the role of the imagination in the face of mystery whether it be the mystery of God whose full reality lies beyond our earthly horizons or the deepest mysteries of life hinted at in the work of fiction By attending to a series of novels Paul Lakeland proposes serious fiction as an antidote to the failure of the religious imagination today and shows how literature might lead the secular mind at least to the threshold of mystery *He Loves Me!* Wayne Jacobsen, 2008-09-02 So many Christians believe God's love is fickle when they sin He

turns away in disgust and anger They vacillate between He loves me and He loves me not because of their behavior That reasoning writes Wayne Jacobsen is as flawed as pulling petals from a daisy Rather God's love is sturdy enduring and undisturbed by people's failings because God loves humankind not for what they do but who they are They are God's beloved creation Startlingly honest and empathetically written He Loves Me reveals the facts of God's relentless grace Readers will learn how to live consciously confidently in this love all the time Questions for personal reflection and group discussion help make these truths practical and life changing Insecure Christians ready for a revolutionary relationship with God will find out just how accessible that is **Newsweek**, 2008 *Chasing Mystery* Carey Walsh, 2012-11-01 Why does God have to be so

exasperatingly silent Why can't we see him at least long enough to allay doubt How does one grow deeper in love with God against the cultural currents of disdain and antagonism Chasing Mystery is an exploration into how the Bible negotiates the presence and absence of God in the hopes of forging a path in situations where absences often seem more pressing than presences Amid the prevailing skepticism and restlessness says Walsh we must relearn the skill of trust in reading Scripture The aim is to experience God through holy writing Walsh offers a work in biblical theology that explores the liveliness of the God of the Bible She insists that the pages of the Bible do not simply describe divine presence they evoke it in the process of reading Not all the time certainly not predictably but enough to warrant a trust Her goal is to strengthen the heart's reading competency in order to facilitate our encounter with God **The Grateful Heart** WILKIE AU and NOREEN CANNON

AU, 2013-01-08 *Grateful Heart, The: Living the Christian Message* Wilkie Au, Noreen Cannon Au, 2014-05-14 Integrating the findings of modern psychology and traditional Christian spirituality this book presents a spirituality of gratitude that can

guide contemporary Christians in living with an expanded awareness of how grace abounds everywhere as well as the personal and cultural hurdles that stand in the way of being grateful **I Believe** Eldon Taylor, 2012-03-15 What is the foundation underpinning success in all areas of life Is there a blueprint What if you learned that your beliefs were the very cornerstones that supported success and that having a few of these could give rise to success in some areas while complete failure in others Would you choose to build a stronger overall foundation Very few people today doubt the power of positive thinking We all know that if we expect to fail then failure is inevitably what we get and there is also the issue of the mind body connection science is repeatedly demonstrating the power of mind and belief to heal What you believe can and does have a huge impact on the quality of your life from success in business to success in relationships from your ability to learn and master new subjects to your ability to heal your own body But have you ever stopped to consider your own beliefs to truly examine them and decide for yourself if they are serving you or sabotaging you Eldon Taylor has spent over 25 years researching the power of the mind and developing scientifically proven methods to use this power to enhance the quality of your life **I Believe** is a book that will not only inspire you but will highlight the kinds of beliefs you hold that may be causing you to fail In the process it will provide you with the opportunity to choose once again the beliefs that drive your life

Better Together Sherron Kay George, 2010-03-19 What are the best practices of mission work **Better Together** is a layperson's guide to many of the most common questions faced by churches working in mission George puts her wealth of mission experience to work translating solid biblical missiological content into everyday language Each chapter begins with a case study and addresses key questions and challenges encountered The book also contains a study guide This is a wonderful resource for mainline Protestant churches active in mission projects and will prove especially helpful for the Presbyterian Church U S A and its various mission agencies It is also perfect for individual or group study for training sessions for mission committed congregants and for the boards of mission initiators
