Epidemics: Autism, ADHD, Asthma, and Allergies Kenneth Bock,Cameron Stauth,2008-04-29 A comprehensive program that targets all four of the 4 A epidemics autism ADHD asthma and allergies An easy to read commonsense guide to beneficial

biomedical treatments Temple Grandin Doctors have generally overlooked the connections among the 4 A disorders For years the medical establishment has considered autism medically untreatable and utterly incurable and has limited ADHD treatment mainly to symptom suppression Dr Kenneth Bock a leading medical innovator along with his colleagues have discovered a solution that goes to the root of the problem They have found that modern toxins nutritional deficiencies metabolic imbalances genetic vulnerabilities and assaults on the immune and gastrointestinal systems trigger most of the symptoms of the 4 A disorders resulting in frequent misdiagnosis and untold mysteries Dr Bock s remarkable Healing Program is an innovative biomedical approach that has changed the lives of more than a thousand children Drawn from medical research and based on years of clinical success this program offers a safe sensible solution that is individualized to each child to help remedy the root causes Dr Bock also shares the dramatic true stories of parents and children that will inspire you to change the life of your own child Hope is at last within reach Prime Example Robert H. Harris,2011-08-01 A riveting account of the little known witch hunt against the founder of one of the first major integrative medical centers in America Prime Example tells the story of the State of New York Department of Health versus Warren M Levin MD In the late 1980s the Commissioner of Health in New York targeted Warren Levin a board certified family doctor in his effort to rid the state of alternative practitioners Dr Levin s practice had never received a complaint from any patient and he had never been sued on the day that the state served a huge set of charges against him During the ensuing disciplinary proceedings the state brought in a witness who had spent much of his time testifying against physicians before many government bodies including the US Congress where he specifically mentioned Dr Levin as a quack on several occasions The Levin defense brought in an extraordinary compliment of witnesses on his behalf Among them was Linus Pauling PhD with almost 50 honorary MDs and PhDs He was at the time he testified and remains the only human being to have received two individual Nobel prizes There were many others many of them tops in their fields with hefty titles and accomplishments who testified for Levin and much of that testimony is referred to and or excerpted in Prime Example This is the real life story of a man being persecuted for daring to diverge from mainstream medical practices and of the abuse of power by a health commissioner driven by private and political motives **Debunk It! Fake News Edition** John Grant,2019-09-03 We live in an era of misinformation much of it spread by authority figures including politicians religious leaders broadcasters and of course apps and websites In this second edition author John Grant uses ripped from the headlines examples to clearly explain how to identify bad evidence and poor arguments He also points out the rhetorical tricks people use when attempting to pull the wool over our eyes and offers advice about how to take these unscrupulous pundits down Updated to include a chapter on fake news Debunk It serves as a guide to critical thinking for young readers looking to find some clarity in a confusing world *Fast Facts for Patients: Beta Thalassemia* Antonio Piga,2023-03-22 This booklet aims to help you understand beta thalassemia BT so you can talk to your medical team about your condition and its treatment BT is a blood condition you re born with It affects your
