Church Homecoming Program Examples:

Early Homecoming: A Resource for Early Returned Missionaries, Their Church Leaders, and Family Kristen Reber, 2023-02-02 When a mission doesn't last as long as expected it can be difficult to adjust to the change in plans. But every mission matters to our Heavenly Father. Based on personal experiences and scholarly research, this book helps loved ones, leaders, and returning missionaries navigate through the mixed emotions of an early release for any reason and press forward with faith.

Implementation of the Church Arson Prevention Act of 1996 United States. Congress. House. Committee on the Judiciary, 1997

Church Administration Handbook Bruce P. Powers, 2008-01-01 The third edition of the popular Church Administration Handbook pays special attention to modern issues of leadership, ministry, and missions.

Graceful Speech Lucy Lind Hogan, 2006-01-01 In this introductory text, Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher, the craft of writing the sermon, and the importance of communicating the gospel in the present world. In doing so, she creates a book that is more holistic than any other homiletics text currently on the market. Hogan begins with a theological rationale for preaching, which serves as a basis for understanding the identity of the preacher. She then explores the context for preaching, showing how to interpret a scriptural text, design a sermon, and use illustrations and examples. She also discusses preaching for special occasions, the use of different technologies in preaching, and the importance of delivery. This book includes questions for reflection.

The Pastor As Church Leader and Educator Herbert W. Byrne, 2006-10

Developing Christian Education in the Smaller Church Carolyn C. Brown, 1982 Small churches have many things going for them: a family atmosphere, lively services, and more. But there are problems: one is starting a viable Christian education program. With relatively few resources at hand, the church school organizer faces a formidable task. At last, here is a book that shows how to overcome the odds. Borrowing from her wide experience with smaller churches, Carolyn C. Brown presents a multitude of original ideas. Like other titles in the popular Griggs series, this workbook is meant to be used as the need arises. There is something here for all ministers and leaders of small churches.

The Living Church, 1979

R.I.C.H. in Preaching Antonio LaMar Torrence, 2020-12-22 As many black churches attempt to become welcoming spaces for LGBTQ people, preachers are navigating ways to develop sermons that are more inclusive and welcoming. Pastors and ministers can begin transforming their congregations to become extensions of Christ through preaching sermons about radical, inclusive Christian hospitality. RICH RICH preaching encourages its hearers to embrace those of the queer community as neighbors deserving of love, compassion, and healing.

The United Church of Christ in the Shenandoah Valley H. B. Cavalcanti, 2010-08-20 While congregational studies have expanded our understanding of American religion, little is known about the local practices of a single denomination at its smallest jurisdiction. This book explores how national denominational commitments are affecting the practices of local United Church of Christ congregations inside a single association in the Shenandoah Valley. Nationally, the UCC defines itself as a united and uniting church in its ecumenical

work as multiracial and multicultural in its diversity as accessible to all in welcoming those with disabilities as open and affirming for its LGBT members and as a just peace church in its support of social justice So how fully have local congregations embraced these commitments Might congregations be more attached to their older identities particularly in areas where the church s predecessors were strongly rooted Or are the national church s commitments being lived out at the grassroots level The book measures congregational life in one of the UCC s oldest and smallest associations Books on congregational studies either focus on a case study of a particular congregation or large scale surveys of U S congregations that explore aggregate data to explain their work This book looks instead at a group of local congregations inside a small judicatory the Shenandoah Association of the United Church of Christ to explain religious life at the grassroots level

Grounded in Grace Pieter J. Lalleman, Peter J. Morden, Anthony R. Cross, 2020-10-21 On 9 January 2013 Dr Ian M Randall celebrated his sixty fifth birthday For this occasion some friends and colleagues presented him with a Festschrift which reflects his achievements as a church historian with a particular interest in the Evangelical movement and spirituality It also mirrors his involvement with theological training in central and eastern Europe Over the last twenty years Dr Randall has also established himself as a leading historian of the Baptist churches in Europe The contributions to *Grounded in Grace* interact with his areas of interest Baptists the Anabaptist movement Evangelicalism and spirituality This book makes a valuable contribution to thinking in all these areas Scholars pastors other church leaders and students will profit hugely from it It contains a short biography and a bibliography of Ian s publications
