

## *Danielson Framework for Teaching (2022) Rubrics by Washington State*

| <b>Criterion 1: Centering instruction on high expectations for student achievement.</b>                                                                                       |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>2b: Fostering a Culture for Learning</b>                                                                                                                                   |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
| <b>Unsatisfactory – 1</b>                                                                                                                                                     | <b>Basic – 2</b>                                                                                                                                                   | <b>Proficient – 3</b>                                                                                                                        | <b>Distinguished – 4</b>                                                                                                                                                                        |
| The culture of the class is not conducive to learning and does not support development.                                                                                       | The culture of the class is partially conducive to learning and development.                                                                                       | The culture of the class is characterized by high expectations and supports students' learning and development.                              | Students play an active role in establishing a culture that consistently fosters dialogue, reflection, and growth, allowing all students to experience success.                                 |
| <b>Critical Attributes: Purpose and Motivation</b>                                                                                                                            |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
| There is little or no sense of purpose for the work or the reasons for doing it are external demands.                                                                         | The teacher communicates the importance of content, the ultimate purpose of learning, and the value of personal growth with some success.                          | The teacher and students demonstrate a belief in the importance of learning and personal growth that motivates them to succeed and flourish. | The teacher and students display dedication to learning the content and a sense of purpose for their learning; both content mastery and personal growth are valued by the teacher and students. |
| <b>Critical Attributes: Dispositions for Learning</b>                                                                                                                         |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
| Student curiosity is ignored or discouraged; students are not asked to think critically or to reason and reflect.                                                             | Student curiosity, critical thinking, reasoning, and reflection are occasionally encouraged.                                                                       | Curiosity, critical thinking, reasoning, and reflection are encouraged and intentionally developed.                                          | Student curiosity, critical thinking, reasoning, and reflection are clearly evident in the classroom and have a direct impact on instruction, student learning, and development.                |
| <b>Critical Attributes: Student Agency and Pride in Work</b>                                                                                                                  |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
| Students have little or no agency in learning experiences or classroom life.                                                                                                  | Students are given some opportunities to exercise agency, that they may not be taken up or maybe infrequent.                                                       | Students have multiple opportunities to exercise agency, and autonomy is intentionally developed and celebrated.                             | Students clearly exercise autonomy in their learning and actively suggest ways to make the classroom more joyful, rigorous, and purposeful.                                                     |
| <b>Critical Attributes: Support and Perseverance</b>                                                                                                                          |                                                                                                                                                                    |                                                                                                                                              |                                                                                                                                                                                                 |
| The teacher conveys that the work is too challenging for all or some of the students or that they lack the perseverance to succeed; students are allowed or expected to quit. | Confidence, resilience, persistence, and teamwork are encouraged, promoting a conviction that with hard work and perseverance all students can master the content. | Confidence, resilience, persistence, and teamwork that support student perseverance are intentionally developed and celebrated.              | Students encourage one another to persevere and use strategies to support each other through challenging work.                                                                                  |

### **Danielson Domain Rubrics Easy Guide Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Danielson Domain Rubrics Easy Guide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Danielson Domain Rubrics Easy Guide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Danielson Domain Rubrics Easy Guide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
