Digital Diasporas Identity And Transnational Engagement:

Digital Diasporas Jennifer M. Brinkerhoff, 2009-03-02 In the first full length scholarly study of the increasingly important phenomenon of digital diasporas Jennifer M Brinkerhoff examines how immigrants who still feel a connection to their country of origin use the internet She argues that digital diasporas can ease security concerns in both the homeland and the host society improve diaspora members quality of life in the host society and contribute to socio economic development in the homeland Drawing on case studies of nine digital diaspora organizations Brinkerhoff s research supplies new empirical material regarding digital diasporas and their potential security and development impacts She also explores their impact on identity negotiation arguing that digital diasporas create communities and organizations that represent hybrid identities and encourage solidarity identity and material benefits among their members The book also explores these communities implications for policy and practice

The Politics and Poetics of Indian Digital Diasporas Yasmin Jiwani, Arjun Tremblay, Mohita Bhatia, 2024-09-26 The Politics and Poetics of Indian Digital Diasporas explores the emancipatory potential and pitfalls of digital platforms and how well or how poorly they reflect intra communal diversities within South Asian diasporic communities This book brings together an international network of scholars both established and emerging to explore South Asian diasporic communities in the United States Canada Australia and the U K It is a comparative cross national analysis of the intersection of digital technologies and South Asian diasporas The book centres on three key themes the ever presence of digital spaces and the importance of exploring them as focal points for defining and contesting identities an exploration of how home is represented in and across South Asian diasporic communities and intra communal diversity in South Asian diasporic communities The chapters show how digital spaces sometimes create unprecedented opportunities for diasporic communities to mobilise multi cultures sexuality race and queerness within South Asian diasporic communities and to move beyond Desi and Brown as homogenising identifiers The contributors also demonstrate that digital spaces can be and have been used to reassert internal hegemonies far from homelands Examining the discursive meanings of South Asian ness Desi Brown South Asians the book foregrounds how it is defined performed and contested through digital platforms in ways that redefine the concept of diaspora in innovative non territorialized polyphonic variegated and dialogic ways A novel contribution to the intersection of global digital inequalities digital cultures and the South Asian diaspora this book will be of interest to a wide scholarly audience of digital media South Asian diaspora culture and ethnicity race and the politics of resistance and counter hegemonic mobilisations

Nigeria's Digital Diaspora Farooq A. Kperogi, 2020 Over a decade ago when Nigeria s migratory digital elite in the United States pioneered a newfangled form of citizen online journalism that disrupted the professional certainties of domestic legacy journalism the country s professional journalists held out hope that the disruptive effect of this insurgent non professionalized non routinized but nonetheless transformative form of journalism would be transitory But diasporic citizen online journalism is not only now an

integral part of Nigeria's media ecosystem it has also inspired successful homeland digital native emulators and is challenging even supplanting in some cases traditional domestic media formations as sites of consequential democratic discourse With Nigeria's frenetic and deeply engaged social media scene diasporan citizen journalism homeland news and social media activism are merging to create the most energetic moment in Nigeria's media history This book chronicles the emergence and transformation of Nigeria's diasporic citizen journalism from the margins to the mainstream of the country's journalistic landscape and draws parallels with the mainstreaming of alternative media formations in other parts of the world Farooq A Kperogi is Associate Professor of Journalism and Emerging Media at Kennesaw State University Georgia USA He is a columnist for the Nigerian Tribune and blogs at <https://www.farooqkperogi.com> **Routledge Handbook of Asian**

Diaspora, Law and Literature Klaus Stierstorfer, Daniela Carpi, 2016-11-07 The well known challenges of international migration have triggered new departures in academic approaches with diaspora studies evolving as an interdisciplinary and even transdisciplinary field of study Its emerging methodology shares concerns with another interdisciplinary field the study of the relations between law and literature which focuses on the ways in which the two cultural practices of law and literature mutually negotiate each other and on the question after the ontological commensurability of the domains This volume offers for the first time an attempt to provide an interface between these overlapping interdisciplinary endeavours of literary studies legal studies and diaspora studies In doing so it explores new approaches and invites new perspectives on diasporas migration and the disciplines that study them hopefull also adding to the cultural resources of coping with a swiftly changing social landscape in a globalizing world **Nation as Network** Victoria Bernal, 2014-08-19 Nations migration and the world wide web of politics Infopolitics and sacrificial citizenship sovereignty in spaces beyond the nation Diasporic citizenship and the public sphere creating national space online The mouse that roars websites as an offshore platform for civil society Mourning becomes electronic representing the nation in a virtual war memorial Sex lies and cyberspace political participation and the woman question The Microfoundations of Diaspora Politics Alexandra Délano Alonso, Harris Mylonas, 2021-09-21 The Microfoundations of Diaspora Politics examines the various actors within and beyond the state that

participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies

Middle Eastern Diasporas and Political Communication Ehab Galal, Mostafa Shehata, Claus Valling Pedersen, 2023-08-14 This edited book explores the development and reconfiguration of Middle Eastern diasporic communities in the West in the context of increased political turmoil civil war new authoritarianism and severe constraints on media in the Middle East Taking an interdisciplinary approach incorporating political and intercultural communication the contributors investigate the rationale for diasporic politics as well as the role of the transnational media in shaping diasporic political mobilization This analysis of the media situated within specific case studies encompassing Afghani Armenian Bahraini Egyptian Lebanese Syrian Tunisian and Turkish diasporic communities reveals the variegated ways it influences diasporic politics and facilitates political action as well as its influence on democratic actors residing in the Middle East These new insights into Middle Eastern diasporas political communication and political mobilization are based on developments in the Middle East since 2011 and ultimately highlight how diaspora groups in the West relate to the situation in the Middle East particularly in their countries of origin The book is important reading for students and researchers working in political intercultural communication and diasporic politics as well as those with a general interest in the Middle East

The SAGE Handbook of Digital Journalism Tamara Witschge, C. W. Anderson, David Domingo, Alfred Hermida, 2016-05-18 The production and consumption of news in the digital era is blurring the boundaries between professionals citizens and activists Actors producing information are multiplying but still media companies hold central position Journalism research faces important challenges to capture examine and understand the current news environment The SAGE Handbook of Digital Journalism starts from the pressing need for a thorough and bold debate to redefine the assumptions of research in the changing field of journalism The 38 chapters written by a team of global experts are organised into four key areas Section A Changing Contexts Section B News Practices in the Digital Era Section C

Conceptualizations of Journalism Section D Research Strategies By addressing both institutional and non institutional news production and providing ample attention to the question who is a journalist and the changing practices of news audiences in the digital era this Handbook shapes the field and defines the roadmap for the research challenges that scholars will face in the coming decades

Latin American Diasporas in Public Diplomacy Vanessa Bravo, Maria De Moya, 2021-07-08 This book on Latin American Diasporas in Public Diplomacy explains and illustrates through case studies the different strategic roles that diaspora groups play in modern public diplomacy efforts These are categorized by being participatory having a strong involvement of non state actors involving frequent partnerships and placing an increased focus on global issues In particular this book provides in its 13 chapters the perspective of Latin American diasporas and nations which are severely underrepresented in the public diplomacy literature Additionally because it is written from a strategic communication perspective this book provides insight into a variety of public diplomacy approaches employed by modern day diasporas from Latin America It also describes some examples of diaspora targeted state led public diplomacy efforts in the region Taking a regional focus to the exploration of diasporas in public diplomacy this edited book facilitates cross country comparisons and the understanding of the phenomena beyond the country specific cases
