Collection Quinn Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger **Tears of the Moon**

Quinn Loftis,2018-12-07 A talented songwriter Shawn Gallagher spends his days lost in reverie and wonder oblivious to the wiles of women and the ways of the world He claims that he s content with his life but his music tells a different story one of loneliness and desperate longing No one understands why Shawn doesn t put his musical gift to profitable use least of all Brenna O Toole a fiercely independent tomboy who has been secretly in love with him for years But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician as the song in his head keeps time with the beating of a woman s heart **Prince of Wolves** Quinn Loftis,2020-09-08 What would it be like to

have a true mate What if that mate was a werewolf Three best friends are about to find out Jacque Pierce is an ordinary seventeen year old girl getting ready to start her senior year of high school But when a mysterious Romanian exchange student named Fane Lupei moves in across the street Jacque and her two best friends soon realize the last few weeks of their summer are about to get a lot more interesting From the moment Jacque sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that flame is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul But Fane isn't the only wolf in town Just as Fane and Jacque are getting to know each other a rogue pack appears led by a crazed Alpha Now Fane will have to fight not just for his life but also for the right to claim Jacque as his own Females among the Canis Lupus are precious Their light extinguishes the darkness found within the male werewolves Fane will need all of Jacque's love if he has any chance to defeat his foe and earn the right to a life with Jacque by his side

Prince of Wolves Quinn Loftis, 2011-06-29 Jacque Pierce was an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring TX when a mysterious foreign exchange student from Romania moves in across the street Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting From the moment Jacque sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn too is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Just as Fane and Jacque are getting to know each other another wolf steps out to try and claim Jacque as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them

The Burning Claw Quinn Loftis, 2016-09-10 Jacque's mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque's survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would

be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her, the huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant who had no idea who or what she was, didn't stand a chance. **Reign of Blood**

Quinn Loftis, 2022-12-27 Because I created you for such a time as this. The Great Luna's words ring true for every member of the Romanian pack. Not only the wolves, but for all those who stand in defense of virtue, purity, and righteousness in a world plagued with monsters hell-bent on destroying every good in their path. Time and time again, the Great Luna's warriors have faced depraved adversaries, and each time they've risen to the challenge. With Fane as their leader and members of every supernatural race willing to follow him, they will once again stand in the gap for those who cannot stand themselves, protecting those who are ignorant of the dangers all around them. The Order of the Burning Claw has been dealt a near-fatal blow. But this has only made them more dangerous, like a cornered wolf, injured and desperate. Alston, the former high fae and leader of the Order, continues to wage war on Fane and his allies. Cain, the vampire king, has other plans, and they no longer include membership in the crumbling faction. He has discovered some powerful new allies: the very humans he once attempted to subjugate. Could they unwittingly be the key that allows him to finally eliminate all competition for rule of the supernatural races? In the end, one species will reign supreme. One king will stand victorious. The rest will bow or die.

Piercing Silence Quinn Loftis, 2015-06-12 It's been six months since Jacque Lupei was imprisoned in the dark forest, with her female pack mates wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. Six months of peace and quiet, other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn't complaining about that, she spends her time commenting on how Jacque's butt is getting wider by the minute. Jacque doesn't know it, but the reprieve was about to be over. She and Fane thought his demons had been dealt with, but the nightmares are back, and the In Between is once again ripping a hole inside of her mate. Jacque can't stand to see him hurting. She can't stand knowing that in some way she was responsible for his struggle, because she, after all, was the subject of his pain from the In Between. She'll do anything to stop his turmoil. So she makes a desperate decision to do what she thinks her mate needs or doesn't need. Others will call it insane. Jen will add her own creative descriptions, including expletives thrown in for added effect. Whatever you call it, Jacque calls it an answer to the darkness that is slowly consuming her mate. She knows that if Fane has any idea of what she has planned, he would chain her to his side. So naturally, she does what any female Canis

lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name
