Chronological Aspects Of The Life Of Christ:

Chronological Aspects of the Life of Christ Harold W. Hoehner, 2010-08-10 Jesus Christ entered into the history of our world Christianity therefore has historical basis The backbone of history is chronology Whereas history is a systematic account of events in relation to a nation institution science or art chronology is a science of time It seeks to establish and arrange the dates of past events in their proper sequence Thus chronology serves as a necessary framework upon which the events of history must be fitted In this book the author attempts to establish certain fixed dates in our Lord s life Dr Harold W Hoehner Dr Hoehner has gathered a vast amount of data both from Scripture and extrabiblical sources to support his conclusions concerning key dates in the life of our Lord among them The Date of Christ s Birth The Commencement of Christ s Ministry The Duration of Christ s Ministry The Year of Christ s Crucifixion He carefully documents his position and compares the date available including a study of Greek words Roman law and Jewish customs and prophecy

Chronological aspects of the life of Christ Harold W. Hoehner, 1978 *Chronological aspects of the life of Christ* Harold W. Hoehner, 1973 **The One Year Christian History** E. Michael Rusten, Sharon O. Rusten, 2003 What happened on this date in church history From ancient Rome to the twenty first century from peasants to presidents from missionaries to martyrs this book shows how God does extraordinary things through ordinary people every day of the year Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse **The Words and Works of Jesus Christ** J. Dwight Pentecost, 2016-10-04 The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you ll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ *90 Days Through the New Testament in Chronological Order* Ron Rhodes, 2015-09-01 Experience the story of Jesus and the early church like never before in this daily chronological tour through the New Testament With one short reading a day you ll see how the Gospels Acts and all the letters fit together Each daily reading includes Scripture Readings and Insights short passages of the New Testament and easy to understand notes on each verse Major Themes brief summaries of the most important ideas Cross
