Hoover, 2023-03-02 This exciting volume explores how religious meaning is generated and performed in our present digital media ecosystem It uses the spatial metaphor of a third space to visualize the mobility of everyday religion and to explore the dynamic ways in which contemporary subjects imagine produce and navigate new religious and spiritual places Comprised of seven original essays this book provides a rigorous discussion of the complex intersections of the digital and religion demonstrating how third spaces of religion stand out by virtue of their in betweenness They exist between private and public between institution and individual between authority and individual autonomy between large media framings and individual presumption and between local and translocal Including probing analysis of how Muslim Catholic and Neo Pagan identities are cultivated and developed online case studies reflect on the creative outcomes of this condition of in betweenness and the emergence of other places of religious and spiritual meaning Blending theoretical analysis with grounded empirical research this book is essential reading for students and scholars of contemporary religion media and religion sociology of religion religion and popular culture **The New Paris** Lindsey Tramuta, 2017-04-18 Tramuta draws back the curtain on the city's hipper more happening side as obsessed with coffee creativity and brunch as Brooklyn or Berlin My Little Paris The city long adored for its medieval beauty old timey brasseries and corner cafés has even more to offer today In the last few years a flood of new ideas and creative locals has infused a once static traditional city with a new open minded sensibility and energy Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food wine pastry coffee beer fashion and design in the delightful city of Paris Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical creative vibrant and curious place to explore than its classical reputation might suggest With hundreds of striking photographs that capture this fresh animated spirit and a curated directory of Tramuta's favorite places to eat drink stay and shop The New Paris shows us the storied City of Light as never before The author's vibrant and precise command of English frames this lively collection of insights about

cultural change and stories regarding multiple chefs and merchants Forbes As the culinary scene in Paris evolves a new palate of flavors and styles of eating have emerged redefining what is French cuisine The New Paris documents these changes through the lens of bakers coffee roasters ice cream makers chefs and even food truck owners A thoughtful and delicious look at how Paris continues to delight and excite the palates of visitors and locals David Lebovitz author of My Paris Kitchen

Brand Beauty Unleashed Roberto M. Álvarez del Blanco, 2020-03-12 This book presents an in depth careful study of our understanding of the concept of beauty in everyday objects and its impact on markets and brands Moving beyond artistic notions of beauty it demonstrates how beauty is an asset that can be leveraged in the marketplace Traditionally beauty has been examined in relation to its influence on painting sculpture literature music and architecture However its value and power in the marketplace is understudied lvarez del Blanco provides a systematic analysis of beauty in commonplace objects and brands drawing on cutting edge research at the intersection of marketing and neurosciences Through examining the neuroscientific evidence for how the brain processes beauty the author articulates the implications this may have on marketing and brand management He also offers a glimpse of how beauty may evolve and its marketing implications for firm strategy in the coming decades Written by a recognized authority in marketing and brand strategy Brand Beauty Unleashed gives students with an interest in marketing consumer behavior branding and neuromarketing an exciting new perspective on this intangible asset

Invisible Digital Aylish Wood, 2024-01-11 Invisible Digital helps us makes sense of something we cannot see by presenting an innovative approach to digital images and digital culture At its heart is a novel method for exploring software used in the creation of moving images as markers of converging cultural organizational and technological influences The three main case studies of Invisible Digital are the animated feature Moana 2016 and the computer games No Man s Sky 2016 and Everything 2017 All three were created using procedural techniques simulation software for Moana and procedural content generation for No Man s Sky and Everything Production culture disclosures associated with procedural techniques often emphasize the influences of automated systems and their algorithms making them ideal for a study that interrogates digital processes The approach of Invisible Digital is informed by relational theories and the concept of entanglement based on materialist perspectives combined with insights from work that more explicitly interrogates algorithms and algorithmic culture Aylish Wood employs the notion of assemblages to introduce the concept of material cultural narratives Using this conceptual framework she draws out material cultural narratives for each case study to demonstrate what they reveal about software and digital culture These analyses of software provide a widely applicable method through which moving image studies can contribute more fully to the wider and growing debates about algorithmic culture

The Extinction of Experience Christine Rosen, 2024-09-10 An Esquire Best Book of 2024 A reflective original invitation to recover and cultivate the human experiences that have atrophied in our virtual world We embraced the mediated life from Facetune and Venmo to meme culture and the Metaverse because these technologies offer novelty and

convenience But they also transform our sense of self and warp the boundaries between virtual and real What are the costs Who are we in a disembodied world In *The Extinction of Experience* Christine Rosen investigates the cultural and emotional shifts that accompany our embrace of technology In warm philosophical prose Rosen reveals key human experiences at risk of going extinct including face to face communication sense of place authentic emotion and even boredom Considering cultural trends like TikTok challenges and mukbang and politically unsettling phenomena like sociometric trackers and online conspiracy culture Rosen exposes an unprecedented shift in the human condition one that habituates us to alienation and control To recover our humanity and come back to the real world we must reclaim serendipity community patience and risk
