Stephen R. Haynes

Dietrich Bonhoeffer's Meditations On Psalms:

Dietrich Bonhoeffer's Meditations on Psalms Dietrich Bonhoeffer, Edwin Hanton Robertson, 2005 Eloquent incisive encouraging and challenging Bonhoeffer invites readers to find in the Psalm both a path toward rest in God and a call to Christ like living as followers of the Lord Jesus

Meditating on the Word Dietrich Bonhoeffer, 1986-01-25 Daily quiet reflection on the Word of God as it applies to me becomes for me a point of crystallization for everything that gives interior and exterior order to my life wrote Dietrich Bonhoeffer to his colleagues at the warfront in the winter of 1942 Now back in print after a decade this collection of Bonhoeffer's writings sermons and letters on meditation including his unfinished meditation on Psalm 119 reveals his deep love for the Bible as a focus for his prayer life and a support in his courageous political life Why do I meditate asks Bonhoeffer Because I am a Christian Therefore every day in which I do not penetrate more deeply into the knowledge of God's Word in Holy Scripture is a lost day for me

Dietrich Bonhoeffer's Christmas Sermons Dietrich Bonhoeffer, 2011-01-04 The celebration of Advent is possible only to those who are troubled in soul who know themselves to be poor and imperfect who look forward to something greater to come For these it is enough to wait in humble fear until the Holy One himself comes down to us God in the child in the manger God comes The Lord Jesus comes Christmas comes Christians rejoice Dietrich Bonhoeffer Executed by the Nazis for his complicity in a plot to assassinate Hitler Dietrich Bonhoeffer remains with us today through his writings far reaching ripples of deep thought passionate words and unflinching character Including biographical insights Dietrich Bonhoeffer's Christmas Sermons spans Bonhoeffer's seventeen years as a preacher This collection of vintage sermons and writings searches out the power and mystery of the Christmas season its joyous riches and its implications for our lives Also available Dietrich Bonhoeffer's Prison Poems Dietrich Bonhoeffer's Meditations on Psalms

Karl Barth and Dietrich Bonhoeffer Wolf Krötke, 2019-10-15 Wolf Krötke a foremost interpreter of the theologies of Karl Barth and Dietrich Bonhoeffer demonstrates the continuing significance of these two theologians for Christian faith and life This book enables readers to look with fresh eyes at the theologies of Barth and Bonhoeffer and offers new insights for reading the history of modern theology It also helps churches see how they can be creative minorities in societies that have forgotten God Translated by a senior American scholar of Christian theology this is the first major translation of Krötke's work in the English language The book includes a foreword by George Hunsinger

Dietrich Bonhoeffer's Prison Poems Dietrich Bonhoeffer, 2005 From his prison cell where he awaited execution for conspiring to assassinate Adolf Hitler Bonhoeffer wrote 10 powerful poems charged with white hot emotions and disarming candor of a man who lived and ultimately died by the truth

The Battle for Bonhoeffer Stephen R. Haynes, 2018-09-13 The figure of Dietrich Bonhoeffer 1906-1945 has become a clay puppet in modern American politics Secular radical liberal and evangelical interpreters variously shape and mold the martyr's legacy to suit their own pet agendas Stephen Haynes offers an incisive and clarifying perspective A recognized Bonhoeffer expert Haynes examines populist readings of

Bonhoeffer including the acclaimed biography by Eric Metaxas Bonhoeffer Pastor Martyr Prophet Spy In his analysis Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court's 2015 decision to legalize same sex marriage The Battle for Bonhoeffer includes an open letter from Haynes pointedly addressing Christians who still support Trump Bonhoeffer's legacy matters Haynes redeems the life and the man

Singing the Ethos of God Brian Brock, 2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God's generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God's people His close study of a few individual psalms shows how we enter the world of praise in which all human life is comprehended within God's work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics *Psalms: Their Timeless Beauty and Powerful Impact* James A. Manthey, 2024-05-09 The book includes scholarly research on the psalms in general yielding much fascinating information useful to a reader seeking to become knowledgeable about the wonderful psalms The main focus however consists of a collection of favorite psalms that have encouraged and inspired the author This collection it is hoped and assured will do the same for the reader

Israelite Religion and Biblical Theology Patrick D. Miller, 2000-11-01 This is a formidable collection of previously published essays by this distinguished Old Testament scholar Three significant areas of biblical studies have been a focus of the author's attention throughout his career the Bible in its ancient Near Eastern world the Psalms and Old Testament theology In Part I epigraphic discoveries are examined for the light they shed on biblical texts In Part II special attention is given to the theological significance of reading the Psalms as a collection In Part III a wide range of theological issues creation covenant prayer cosmology canon and especially the nature and character of God are taken up in various essays that suggest how biblical theology can contribute to the larger theological enterprise

Prayerbook of Christ Brad Pribbenow, 2018-08-31 The contributions of Dietrich Bonhoeffer to the fields of systematics ethics sociology and theology have become well known in recent decades What has been overlooked however is the significant contribution he has also made to the study and interpretation of the Psalms Bonhoeffer's approach to the Psalms is built upon an understanding of its relationship to prayer and to Jesus Christ the Crucified One Employing methods drawn from both premodern and modern exegetes Bonhoeffer develops a Christological interpretation of the Psalms which in certain key aspects has not been seen in the history of interpretation His is an interpretation informed by the historical reality of Jesus Christ praying the prayers of the Psalms in his incarnation As the church of today prays the Psalms

it is encouraged by understanding that they are also praying the very words which Jesus prayed The Psalms are not only the prayerbook of the church more fundamentally they are the prayerbook of Jesus Christ In this book Pribbenow explores Bonhoeffer s unique Christological interpretation of the Psalms by means of a concentrated analysis of its development coherence and significance tracing it from its formation at Berlin University into the years of development at the Confessing Church Preacher s Seminary in Finkenwalde and through the months of interrogation and imprisonment at the hands of the Third Reich
