Penny White Port Orchard WA **Different by Design** Omawumi Efueye, 2015-11-30 To say that marriage is today facing unprecedented crises is to be guilty of a chronic understatement Soaring divorce rates have been fuelled by inadequate preparation for marriage ignorance about its purpose premarital sex and counterfeit incarnations like polygamy polyandry and cohabitation Additionally economic pressures increasing global amorality and the determination to redefine marriage are further sounding the death knell for marriage The good news is that there is nothing new under the sun and this institution which has survived every onslaught in every community across every age will continue to do so The purpose of this book is to heal marriages in this generation and more significantly equip the next generation to approach prepare for and conduct marriage as God intended In this candid practical Bible inspired treatise you will discover the following The purpose of marriage and lessons from the first marriage How clearly defined roles determine your marriage s success and insulate you from the scourge of unmet expectations A spiritual and practical checklist for picking the right spouse in the first place Three critical principles of communication Learning to fight properly by mastering conflict resolution techniques How not to make outlaws of your in laws and parents I can t live without you myth or fact If sex can be good and at the same time godly also what is sexually permissible for a Christian couple What happens when the initial attraction fades or love dies What to do when your spouse is attracted to or involved with an external party The key to raising godly offspring The pervading theme from which the book derives its title is that men and women are different by design Marriages totter and collapse because spouses do not realise this divine inbuilt design imperative to the success of their connubial experience Enjoy discovering the truth this book exposes you to and the liberty it engenders in your marital walk **Private Lectures on Perfect Men,**

Why You Should Do the Opposite David Disalvo,2011-11-15 This book reveals a remarkable paradox what your brain wants is frequently not what your brain needs In fact much of what makes our brains happy leads to errors biases and distortions which make getting out of our own way extremely difficult Author David DiSalvo presents evidence from evolutionary and social psychology cognitive science neurology and even marketing and economics And he interviews many of the top thinkers in psychology and neuroscience today From this research based platform DiSalvo draws out insights that we can use to identify our brains foibles and turn our awareness into edifying action Ultimately he argues the research does not serve up ready made answers but provides us with actionable clues for overcoming the plight of our advanced brains and consequently living more fulfilled lives *Temper. A woman's love. A wife's duty. The two sons. The opposite neighbour. Love, mystery, and superstition. After the ball. False or true. The confessions of an odd-tempered man. Sex Irving Singer,2004-10-08 In this expanded edition Singer supplements the 2001 edition with a timely and stimulating essay that focuses upon marriage particularly same sex marriage Singer maintains that questions about sex are fundamental in all thinking about the marital condition and addresses the problem of same sex legitimization and rights to material benefits by analyzing the nature of marriage union and family in their relation to sexuality and love For first time and seasoned readers alike Singer s lucid new reflections will clarify current and emerging issues in the philosophy of sex

A Powerful Marriage David Albert Farmer,2002 Many couples marry believing their marriage will be a bed of roses that love for each other is all that counts But we have to remember that roses grow on bushes full of thorns And often when a rose is picked we get pricked And what happens when we are pricked Hurt and pain follows Marriage can be one of roses and violets A well balanced marriage is one that can adjust to the understanding that both exist No one can have everything just like they want it Every married person must do the best they can in making room for flexibility in their marriage The marriage institution was designed of Heaven to be a blessing to man but in general sense it has been abused in such a manner as to make it a dreadful curse Most of men and women have acted in entering the marriage relation as though the only question for them to settle was whether they loved each other But they should realize that a responsibility rests upon them in the marriage relation farther than this God does not promise us ease honor or wealth in His service

Marriage and Violence Frances E. Dolan,2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward s Private Lives and Barbara Ehrenreich s assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other

Boleyn Girl and documents about Anne Boleyn's fatal marriage and her daughter Elizabeth I's much debated virginity. By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person. When two fractious individuals assert their conflicting wills, resolution can be achieved only when one spouse absorbs, subordinates or eliminates the other. In an era when marriage remains hotly contested, this book draws our attention to one of the histories that bears on the present: a history in which marriage promises both intimate connection and fierce conflict, both companionship and competition.

The God Matrix: Decoding the Divine Blueprint for Reality, Faith, and Society Roger Ball, 2025-09-01. This book is not a single linear argument but a collection of expeditions into the deepest questions of human existence. Each chapter/essay stands alone as a focused, intense exploration of a specific facet of truth, life and reality. Together they weave a larger tapestry revealing the profound and often hidden architecture of the divine order in which we live, move and have our being. Here the Matrix is not an illusion; it's the foundational gridwork of reality, the operating system authored by God. These essays are attempts to interface with that system to understand its source code of love, logic, justice and grace. Some ideas will comfort you, others will challenge you. You are invited not to simply agree but to actively participate in a conversation as old as creation. Read in sequence or begin wherever your most urgent question lies. Within these pages you will find the tools to decode the divine signals in your life, better understand the heart of God and ultimately see the world as it truly is: a reality sustained by and forever connected to the mind of its Maker. This is the story of everything. This is the red pill that can change your life. Chapter titles include: Can God's Existence Be Proven? Why Did God Create Mankind? Why Do Good People Go to Hell? Moral Failure and God's Purposes. How to Destroy Any Society. Know the Truth. Can Same Sex Attraction Be Overcome? Do You Have a Soul Mate? Does Suicide Damn the Soul? American Bloodlust. The Violent Psychological Conditioning of Today's Young People. Nurturing the Divine Within. Raising Healthy Children Through Structure, Love and Spiritual Awareness. Knowing God's Will. Don't Just Do Something. What Are Your Spiritual Gifts? Explore the Faith. A Glossary of Christian Words, Beliefs and Practices.
