Kelin, II,2014-10-01 For five years Meredith Davenport photographed and interviewed men who play live action games based on contemporary conflicts such as a recreation of the hunt for Osama Bin Laden that took place thousands of miles from the conflict zone on a campground in Northern Virginia Her images speak about the way that trauma and conflict penetrate a culture sheltered from the horrors of war Bringing together a series of two dozen photographs with essays discussing and analysing the influence of the media particularly photographs and video on the culture at large and how conflict is discussed in the visual realm Theater of War is a unique look at the influence of contemporary conflicts and their omnipresence in the media on popular culture Written by an experienced photojournalist who has covered a variety of human rights issues worldwide this book is an essential addition to the library of anyone interested in the confluence of war and media

Applied Theatre: Voice Sarah Weston,2025-01-23 *Applied Theatre Voice* is a unique exploration of the conceptual and practical understandings of voice in relation to applied theatre Voice is fundamental to much practice that takes place in applied and community performance and is regularly the go to word to articulate community involvement and engagement be that in terms of creativity or social cultural and political activity Yet often in these references the preciseness of what we mean by voice is lost Is voice in applied theatre simply another word for representation as in finding or giving voice Or is voice also referring to the material sonic and embodied phenomenon of human communication when we consider the relationship between voice performance and social justice In this book voice in applied theatre is critically examined in a range of practical case studies discussing both its symbolic and material function demonstrating the necessity of considering both when working in applied and community spaces In Part One voice as a concept is introduced discussing recent theorizations of voice and why they are significant to applied theatre Part Two introduces the case studies exploring divergent understandings of why the voice matters in community practice *Applied Theatre with Youth* Lisa S. Brenner,Chris Ceraso,Evelyn Diaz Cruz,2021-07-21 *Applied Theatre with Youth* is a collection of essays that highlight the value and efficacy of applied theatre with young people in a broad range of settings addressing challenges and offering concrete solutions This book tackles the vital issues of our time including among others racism climate crisis gun violence immigration and gender fostering dialogue promoting education and inciting social change The book is divided into thematic sections each opening with an essay addressing a range of questions about the benefits challenges and learning opportunities of a particular type of applied theatre These are followed by response essays from theatre practitioners discussing how their

own approach aligns with and or diverges from that of the initial essay Each section then ends with a moderated roundtable discussion between the essays authors further exploring the themes issues and ideas that they have introduced With its accessible format and clear language *Applied Theatre with Youth* is a valuable resource for theatre practitioners and the growing number of theatre companies with education and community engagement programs Additionally it provides essential reading for teachers and students in a myriad of fields education theatre civic engagement criminal justice sociology women and gender studies environmental studies disability studies ethnicity and race studies *Digital Storytelling for Educative Purposes* Phillip Alexander Towndrow, Galyna Kogut, 2020-11-28 This book is an exposition of a curriculum innovation within the complex yet fertile ground of school based education in Singapore Beyond straightforward descriptions and protocols this book purposefully connects classroom practices with theories in a clear uncomplicated way The result provides a series of rationales for action reflection and understanding that other publications in digital storytelling sometimes fail to cover or explain in sufficient detail Broadly these include digital multimodal authorship teachers and students storytelling task design and assessment the use of digital storytelling as a reflective and reflexive expression of teachers professionalism and dialogism in classroom practice
