

Patterns of Political Change in Mexico

Edited by Kevin J. Middlebrook

Dilemmas Of Political Change In Mexico

James M. Cypher, Raúl Delgado Wise

Dilemmas Of Political Change In Mexico:

Dilemmas of Political Change in Mexico Kevin J. Middlebrook, 2004 The victory by Vicente Fox Quesada in Mexico's July 2000 presidential election was a watershed in the country's political history His triumph convincingly marked the consolidation of electoral democracy and by ending seven decades of uninterrupted national rule by the official Institutional Revolutionary Party PRI symbolized a clear break with the political regime established following the 1910-1920 revolution Nevertheless many legacies of postrevolutionary authoritarianism persist and Mexico's democratization process remains incomplete The seventeen contributors to this volume assess Mexico's political dynamics at the turn of the century and the many pending challenges in the construction of a more fully democratic political order They examine 1 changes affecting the party system electoral institutions and voting behavior 2 the evolving role of the armed forces organized labor big business and rural producers 3 the new importance of civil society the mass media and cross border social coalitions 4 and key issues of political representation and governance including executive legislative relations judicial performance federalism the constitutional rights of indigenous peoples and the political role of Mexicans resident in the United States The Paradox of Democracy in Latin America Katherine Isbister, 2011-01-01 What becomes clear throughout is that there is a paradox at the heart of Latin America's democracies Despite decades of struggle to replace authoritarian dictatorships with electoral democracies solid economic growth leading up to the global credit crisis and increased efforts by the state to extend the benefits of peace and prosperity to the poor democracy as a political system is experiencing declining support and support for authoritarianism is on the rise Mexico's Dilemma Roberto Newell G., Luis Rubio F., 2021-01-07 This book analyzes the crisis Mexico experienced in 1982 on the basis of the historical evolution of Mexico's political and economic structures The author's purpose in writing this book is to provide an interpretation of Mexico's current problems in order to analyze what must be done to solve some profound dilemmas and to restructure Mexican society The main dilemma Mexico faces is its vanishing consensus *Mexico's Unrule of Law* Niels Uildriks, 2012-03-29 Mexico's Unrule of Law Human Rights and Police Reform Under Democratization looks at recent Mexican criminal justice reforms Using Mexico City as a case study of the social and institutional realities Niels Uildriks focuses on the evolving police and justice system within the country's long term transition from authoritarian to democratic governance By analyzing extensive and penetrating police surveys and interviews he goes further to offer innovative ideas on how to simultaneously achieve greater community security democratic policing and adherence to human rights The Decline of Labor Unions in Mexico during the Neoliberal Period Roberto Zepeda, 2021-01-28 This book examines the most significant factors accounting for the decline of union density during the neoliberal period focusing on the case of Mexico Union density which reflects the representation of labor unions in the employed labor force is one of the main indicators of union strength The relation of organized labor with the state and the political system are also considered The analysis is framed within a structure concentrated on cyclical structural and political

institutional factors linked to labor union performance Over the last decades the transformations brought about by neoliberalism and democratization reshaped many features of the domestic political and economic model in Mexico Therefore an examination of these developments regarding the repercussions of the factors linked to union density decline is crucial

Mexico's Economic Dilemma James M. Cypher, Raúl Delgado Wise, 2010-07-16 Written by two leading scholars this book provides a detailed analysis of Mexico's political economy James M Cypher and Raúl Delgado Wise begin with an examination of Mexico's pivotal economic crisis of the 1980s and the consequent turn toward an export led economy later anchored by NAFTA They show how Mexico after abandoning frequently successful past practices of state led development disastrously tied its future to an unconditional reliance on foreign corporations to promote an export led growth strategy Focusing on Mexico's cheap labor export model the authors use the maquiladora sector and the auto industry as case studies of the perils of globalization the race to the bottom as capital becomes ever more international The government's unconstrained free market policies they convincingly argue have resulted in a fragmented economy marked by stagnation falling wages informal part time employment and massive migration which define daily life for all but a tiny minority

Rural Protest and the Making of Democracy in Mexico, 1968-2000 Dolores Trevizo, 2011 When the PRI fell from power in the elections of 2000 scholars looked for an explanation Some focused on international pressures while others pointed to recent electoral reforms In contrast Dolores Trevizo argues that a more complete explanation takes much earlier democratizing changes in civil society into account Her book explores how largely rural protest movements laid the groundwork for liberalization of the electoral arena and the consolidation of support for two opposition parties the PAN on the right and the PRD on the left that eventually mounted a serious challenge to the PRI She shows how youth radicalized by the 1968 showdown between the state and students in Mexico City joined forces with peasant militants in nonviolent rural protest to help bring about needed reform in the political system In response to this political effervescence in the countryside agribusinessmen organized in peak associations that functioned like a radical social movement Their countermovement formulated the ideology of neoliberalism and they were ultimately successful in mobilizing support for the PAN Together social movements and the opposition parties nurtured by them contributed to Mexico's transformation from a one party state into a real electoral democracy nearly a hundred years after the Revolution

Political Struggles and the Forging of Autonomous Government Agencies Cristopher Ballinas Valdés, 2011-06-30 Argues that autonomous agencies are not the result of a systematic design but are produced by the interactions of political and bureaucratic forces The case studies illustrate how political struggles between politicians and bureaucrats can create a muddle of agencies that lack coherence and are subject to conflicting levels of political control

Policing the Mexican Past Javier Trevino-Rangel, 2022-04-21 This book critically examines transitional justice in Mexico It explores how the Mexican democratic regime dealt with the grave human rights violations perpetrated by security forces during the authoritarian era 1929-2000 through a Special Prosecutor's Office It

offers a complete account of the diverse factors that facilitated the emergence and policing of Mexico's transitional justice process. Whilst transitional justice should contribute to the advancement of liberal democracy and consequently generate the following benefits: truth, justice, political reconciliation, peace, this book argues that Mexico is a case of transitional injustice. It is an example of how in some societies transitional justice mechanisms are intentionally implemented in ways that instead of generating justice produce impunity. It makes important contributions to some of the broader debates addressed by scholars on transitional justice and gives them reason to re-examine transitional justice processes in other countries in a new light.

Revolution and State in Modern Mexico Adam David Morton, 2013-10-04. Now in an updated edition, this groundbreaking study develops a new approach to understanding the formation of the postrevolutionary state in Mexico. In a shift away from dominant interpretations, Adam David Morton considers the construction of the revolution and the modern Mexican state through a fresh analysis of the Mexican Revolution, the era of import substitution industrialization, and neoliberalism. Throughout, the author makes interdisciplinary links among geography, political economy, postcolonialism, and Latin American studies in order to provide a new framework for analyzing the development of state power in Mexico. He also explores key processes in the contestation of the modern state, specifically through studies of the role of intellectuals, democratization, and democratic transition, and spaces of resistance. As Morton argues, all these themes can only be fully understood through the lens of uneven development in Latin America. Centrally, the book shows how the history of modern state formation and uneven development in Mexico is best understood as a form of passive revolution, referring to the ongoing class strategies that have shaped relations between state and civil society. As such, Morton makes an important interdisciplinary contribution to debates on state formation relevant to Mexican studies, postcolonial and development studies, historical sociology, and international political economy, by revitalizing the debate on the uneven and combined character of development in Mexico and throughout Latin America. In so doing, he convincingly contends that uneven development can once again become a tool for radical political economy analysis in and beyond the region. A substantive new epilogue engages the main theoretical debates that have emerged since the book was first published, while also exploring the dominant geographies of power and resistance that are shaping state space in Mexico in the twenty-first century. And now a Spanish edition, *Revolución y Estado en México moderno México D.F. Siglo XXI* 2017, is available as well. [Click here to see the book trailer](#)

Dilemmas Of Political Change In Mexico Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dilemmas Of Political Change In Mexico free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dilemmas Of Political Change In Mexico free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dilemmas Of Political Change In Mexico free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Dilemmas Of Political Change In Mexico. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Dilemmas Of Political Change In Mexico any PDF files. With these platforms, the world of PDF downloads is just a click away.
