The Dialogue of St. Catherine of Siena St. Catherine of Siena, 1991-09 St Catherine of Siena's Dialogue describes the entire spiritual life through a series of conversations between God and the soul represented by Catherine herself Readers of The Dialogue of Saint Catherine of Siena will find her revelations from God as informative and formative as those who recognized her sanctity during her life The universally applicable yet intimately personal messages she received from God are as much for us as they were for Catherine We can read God's communications to his beloved daughter with detached awe or we can receive His messages to us through her writings Do you long for certainty that Divine Providence exists in the midst of our chaotic world Does your prayer seem too dry or too routine Have you sought guidance for the challenges of your life from unhelpful people or things Or has pride kept you from humble obedience to the Church If so The Dialogue will provide consolation encouragement and hope **The Dialogue of St Catherine of Siena** Saint Catherine of Siena, 1950

The Dialogue of Saint Catherine of Siena James Butler, John Milner, 2016-09-03 So you see that satisfaction is made through the desire of the soul united to Me who am the Infinite Good in greater or less degree according to the measure of love obtained by the desire and prayer of the recipient Wherefore with that very same measure with which a man measures to Me do he receive in himself the measure of My goodness Labor therefore to increase the fire of your desire and let not a moment pass without crying to Me with humble voice or without continual prayers before Me for your neighbors I say this to you and to the father of your soul whom I have given you on earth Bear yourselves with manful courage and make yourselves dead to all your own sensuality Excerpt p 7 Saint Catherine of Siena a mystic dictated the Dialogue while in ecstasy The work is a dialogue between God the Father and the Saint It begun in 1377 and finished by 1378 She was a tertiary of the Dominican Order and was declared a Doctor of the Church in 1970 by Pope Paul VI and is one of the six patron saints of Europe *The Dialogue of Saint Catherine of Siena* St Catherine of Siena, 2016-12-10 Man is placed above all creatures and not beneath them and he cannot be satisfied or content except in something greater than himself Greater than himself there is nothing but Myself the Eternal God Therefore I alone can satisfy him and because he is deprived of this satisfaction by his guilt he remains in continual torment and pain Weeping follows pain and when he begins to weep the wind strikes the tree of self love which he has made the principle of all his being These are the words of God the Father from The Dialogue of St Catherine of Siena a practical and compelling work of Christian mysticism The editor has modernized the language in this newly revised and edited edition of this timeless work for the benefit of the contemporary reader St Catherine 1347-1380 virgin and Doctor of the Church dictated the Dialogue during a state of ecstasy while in dialogue with God the Father In it the Eternal Father describes through many different analogies allegories and metaphors the spiritual life of humankind In his description God emphasizes among other things the importance of cultivating virtue continually praying and the need for obedience Written at a time of spiritual and political upheaval The Dialogue of St Catherine of Siena remains relevant even to

the present day and any reader will profit from the sound advice throughout this extraordinary work Instructive and profound the Dialogue is considered one of the greatest works of Christian mysticism of all time Many people do not know that St Catherine was also a stigmatist bearing the wounds and suffering the passion of Christ for the salvation of souls She prayed to God to make the wounds invisible so as not to draw attention to herself Only her confessor Blessed Raymond of Capua knew of her sharing in the sufferings of Our Lord until the day the saint died when the wounds became visible for all to see This edition of The Dialogue originally published in 1907 but now in more modern English as well as relatively small print thus only 164 pp includes an Introduction on the life and times of the saint as well as an account of her death by an eyewitness Unfortunately Amazon shows a different cover pic and text when you look at the sample pages But you will get my revised and edited version See other excellent classic works revised into modern English published by the editor by searching Darrell Wright Thanks for looking and also for positive reviews of them *The Dialogue of St. Catherine of Siena* St. Catherine St. Catherine of Siena, Catherine, 2014-10-18 This is the most famous spiritual work of one of the Church's most famous women St Catherine of Siena The 14th century saint remains one of the only women to be named a Doctor of the Church *The Dialogue* Saint Catherine (of Siena), 1980 Catherine of Siena 1347-1380 mystic and Doctor of the Church wrote The Dialogue her crowning spiritual work for the instruction and encouragement of all those whose spiritual welfare was her concern *The Letters of Saint Catherine of Siena* Catherine of Siena, 2016-12-17 Saint Catherine of Siena 1347-1380 is widely considered one of the greatest saints of all time She is best known for her mystical Dialogue with God the Father for which she was declared a Doctor of the Church but her letters are also unmatched in their spiritual power and profundity Many people do not know that St Catherine was also a stigmatist bearing the wounds and suffering the passion of Christ for the salvation of souls She prayed to God to make the wounds invisible so as not to draw attention to herself Only her confessor Blessed Raymond of Capua knew of her sharing in the sufferings of Our Lord until the day the saint died when the wounds became visible for all to see This edition of The Letters of St Catherine originally published in 1905 but now in more modern English in this newly revised and edited version includes an Introduction on the Life and Times of the Saint a description of Saint Catherine as Seen in her Letters the Chief Events in the Life of Saint Catherine and a Brief Outline of Contemporary Public Events **Dialogue of St. Catherine of Siena** St Catherine of Siena, 2007-05-01 The Dialogue of St Catherine of Siena contains four of the 14th century saint's most famous works During periods of ecstasy she dictated these often subtle and always insightful essays to her followers speaking directly to other devout Christians addressing their spiritual concerns and pitfalls with a loving though strict compassion Believers and students of religion will find this book as eloquent as it is inspiring accessible and thought provoking Italian affiliate of the Dominican Order CATHERINE OF SIENA 1347-1380 dedicated her life to Christ at an early age declaring a lifelong commitment to virginity at age seven She practiced severe mortifications of the flesh including long periods of fasting where she ate only sacrament wafers Most of her writings

were in the form of letters over 300 of which have survived The Dialogue of St. Catherine of Siena Catherine of Siena, 2012-09-05 The works of St Catherine of Siena rank among the classics of the Italian language written in the beautiful Tuscan vernacular of the fourteenth century Notwithstanding the existence of many excellent manuscripts the printed editions present the text in a frequently mutilated and most unsatisfactory condition Her writings consist of the Dialogue or Treatise on Divine Providence a collection of nearly four hundred letters and a series of Prayers The Dialogue especially which treats of the whole spiritual life of man in the form of a series of colloquies between the Eternal Father and the human soul represented by Catherine herself is the mystical counterpart in prose of Dante s Divina Commedia **The Dialogue of Saint Catherine of Siena** Saint Catherine of Siena, 2021 The Dialogue of Saint Catherine of Siena sometime referred to as The Dialogue of Divine Providence is a series of spiritual treatises by 14th century mystic and political activist Saint Catherine de Siena Born in 1347 in the city of Siena in Tuscany Italy Catherine was well known for her mystical visions and developed a close and influential relationship with Pope Gregory XI an unusual accomplishment for a woman of her time Her most lasting legacies are her Dialogue and her surviving letters which are considered some of the most important works of early Tuscan and Italian literature It is widely believed the treatises that compose the Dialogue were dictated by Catherine while she was experiencing ecstatic mystical visions and contain the wisdom and revelations given to her by God Catherine instructs the faithful in how to have a more personal and rewarding relationship to God how to give oneself fully over to prayer and devotion and how difficulties and suffering in life can be transformed into something positive and beautiful through faith and God s love Saint Catherine of Siena s insights remain pertinent and instructive centuries after they were first published and endure as a timeless classic of Christian spiritual literature This edition is printed on premium acid free paper
