Diary Of A Heretic The Pagan Adventures Of A Christian Priest:

Diary of a Heretic Mark Townsend, 2013-09-27 In June 2007 Rev Mark Townsend resigned from his ministry as a priest after his decision to share his story of brokenness and failure with the hierarchy This book is the irreverent and whimsical yet honest and gut wrenching story of his struggle to hold on to a faith within a world that seemed to be against him It is a story that brings hope to all those who feel the established Western religious path has lost sight of compassion grace and the one who could easily have been called Friend of Failures As the author gradually digs himself out of the consequential gutter the reader will discover that all such failures can be redeemed and may even produce glittering nuggets of gold More importantly the reader will begin to see that his or her own failure can also lead to real moments of magic so long as it is not repressed but accepted A major underlying theme of the whole diary is the notion that real magic does exist and that the magical traditions such as Druidry can be a major blessing for those who crave for something more **Christian Goddess**

Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis s study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has implications for Goddess Spirituality and related traditions e g Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities Changing Paths
