Researching Language and the Law Davide S. Giannoni, Celina Frade, 2010 This volume reflects the latest work of scholars specialising in the linguistic and legal aspects of normative texts across languages English Danish French Italian Spanish and law systems Like other domains of specialised language use legal discourse is subject to the converging pressures of internationalisation and of emerging practices that destabilise well established norms and routines In an integrated interdependent context supranational laws rules and procedures are gradually developed and harmonised to regulate issues that can no longer be dealt with by national laws alone as in the case of the European Union The contributors discuss the impact of such developments on the construction evolution and hybridisation of legal texts analysed both linguistically and from the practitioner's standpoint

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
