*Zoom registration required by Monday 15th February

SCF is holding an online session looking at solutions to the barriers around access to crofts. This was highlighted as a major issue at the Young Crofters' Gathering last year and needs the input of all those with an interest in crofting: young, old, newcomer and experienced. SCF intends that this event will influence policy and improve access to crofting. Solutions, good practice, and new ideas are vital to how crofting develops to work for the crofters of today and of the future.

SCF is dedicated to campaigning for crofters and fighting for the future of crofting.
