Crossing The Tiber Evangelical Protestants Discover The Historical Church:

Crossing the Tiber Stephen K. Ray, 2011-02-16 An exhilarating conversion story of a devout Baptist who relates how he overcame his hostility to the Catholic Church by a combination of serious Bible study and vast research of the writings of the early Church Fathers In addition to a moving account of their conversion that caused Ray and his wife to cross the Tiber to Rome he offers an in depth treatment of Baptism and the Eucharist in Scripture and the ancient Church Thoroughly documented with hundreds of footnotes this contains perhaps the most complete compilation of biblical and patristic quotations and commentary available on Baptism and the Eucharist as well as a detailed analysis of Sola Scriptura and Tradition This is really three books in one that offers not only a compelling conversion story but documented facts that are likely to cinch many other conversions Karl Keating A very moving and astute story I am enormously impressed with Ray's candor courage and theological literacy Thomas Howard Stephen K Ray was raised in a devout and loving Baptist family His father was a deacon and Bible teacher and Stephen was very involved in the Baptist Church as a teacher of Biblical studies After an in depth study of the writings of the Church Fathers both Steve and his wife Janet converted to the Catholic Church He is the host of the popular award winning film series on salvation history The Footprints of God Steve is also the author of the best selling books Upon This Rock and St John's Gospel **Shepherding God's Flock** Benjamin L. Merkle, Thomas R. Schreiner, 2019-03-21 A biblical historical theological and practical foundation for pastoral leadership Pastors have been entrusted with leading the people of God The shepherds of God's flock must protect them from and guide them through the many dangers believers face Although ultimately the Church is led by Christ pastors are to provide godly examples of what it means to be a follower of the Lord Consequently who leads the church the type of authority they are given how they relate to one another to whom they are accountable and how they are selected are of utmost importance to the life and health of God's people This book provides the biblical historical theological and practical foundation of the crucial task of leading God's people *In Search of Ancient Roots* Kenneth J. Stewart, 2017-10-31 Perceiving a disconnect between their Protestant tradition and ancient Christianity younger generations are abandoning evangelicalism for traditions that appear more rooted in the early church Surveying five centuries church history Ken Stewart argues for the rich Protestant connections to the Reformation and early Christianity **How to Go from Being a Good Evangelical to a Committed Catholic in Ninety-Five Difficult Steps** Christian Smith, 2011-06-09 American evangelicalism has recently experienced a new openness to Roman Catholicism and many evangelicals both famous and ordinary have joined the Catholic Church or are considering the possibility This book helps evangelicals who are exploring Catholicism to sort out the kind of concerns that typically come up in discerning whether to enter into the full communion of the Catholic Church In simple language it explains many theological misunderstandings that evangelicals often have about Catholicism and suggests the kind of practical steps many take to enter the Catholic Church The book frames evangelicals becoming Roman Catholic as a kind of paradigm shift

involving the buildup of anomalies about evangelicalism a crisis of the evangelical paradigm a paradigm revolution and the consolidation of the new Catholic paradigm It will be useful for both evangelicals interested in pursuing and understanding Catholicism and Catholic pastoral workers seeking to help evangelical seekers who come to them Fast Facts on Roman Catholicism John Ankerberg, John Weldon, 2011-06-21 What do Catholics mean when they use the words salvation justification What special role does Mary have in the church What about the Pope Does the Catholic Tradition add to God's Word How do official Church teachings affect Catholics day to day lives In their helpful question answer style noted researchers John Ankerberg John Weldon lead you through these other key issues This straightforward practical guide will help you comprehend one of the world's most prominent religious institutions the beliefs of friends family members who belong to it in light of the clear teaching of the Bible From the Susquehanna to the Tiber Jeremy Christiansen, 2022-09-01 Jeremy Christiansen offers an intimate account of life as a faithful sometimes stumbling member of the Church of Jesus Christ of Latter-day Saints Growing up in a small Mormon town he served as a Mormon missionary for two years in Argentina raised a young family in the Mormon Church and served in Mormon leadership positions But as he grew older he became unsettled about the principles of his faith setting him on a long search for God and for truth that would ultimately lead to the Roman Catholic Church Based on detailed personal journals this vivid book explores the highly unique approach to religious epistemology found in Mormonism Although the faith theoretically encourages the use of reason Mormons beliefs in practice are rooted chiefly in emotion Christiansen offers singular insight into life within this system with all its beauties and its limits Thanks to the subtle workings of Providence Christiansen discovered Catholicism through the ancient writings of the Church Fathers who revealed a robust Christian intellectual tradition and through the mystical glory of her liturgy **WHO FOUNDED YOUR CHURCH?** FR. JAMES CALASARA, 2014-03-12 Father James Calasara was born in the Philippines on July 6 1934 After serving his Diocese as priest he joined the military as Chaplain He was Chaplain of the Philippine Navy became the first Philippine Marines Chaplain worked in Guam as Diocesan Priest and joined the United States Army as Chaplain He served two great allied countries the Philippine and the United States of America as soldier priest and educator In 1966 Father James retired from the US Army with the rank of Major In 2002 when the war in Iraq broke out he was recalled to active duty Fr James awards include the Army Commendation Medal two oak leaf cluster National Defense Service Medal Armed Forces Expeditionary Medal Army Service Ribbons US Airborne Philippine Parachutist Badge and Philippine Marines Long Service Medal He made his own golf course The El Padre Golf and Country Club in Dixon Missouri He is a professional golf instructor and a member of the United States Golf Teachers Federation In November 2003 he played the Golf Teachers Cup Some of the books he wrote are The Fighting Priest Jokes for Everyone The Holy Land Memories of a Pilgrim and Christianity in Poetry **Theological Retrieval for Evangelicals** Gavin Ortlund, 2019-11-05 Restless for rootedness many Christians are abandoning Protestantism altogether Many evangelicals today are aching for theological rootedness often

found in other Christian traditions Modern evangelicalism is not known for drawing from church history to inform views on the Christian life which can lead to a me and my Bible approach to theology But this book aims to show how Protestantism offers the theological depth so many desire without the need for abandoning a distinctly evangelical identity By focusing on particular doctrines and neglected theologians this book shows how evangelicals can draw from the past to meet the challenges of the present

Long Before Luther Nathan Busenitz, 2017-10-03 Where was the gospel before the Reformation Contemporary evangelicals often struggle to answer that question As a result many Roman Catholics are quick to allege that the Reformation understanding of the gospel simply did not exist before the 1500s They assert that key Reformation doctrines like sola fide were nonexistent in the first fifteen centuries of church history Rather they were invented by Martin Luther John Calvin and others That is a serious charge and one that evangelicals must be ready to answer If an evangelical understanding of the gospel is only 500 years old we are in major trouble However if it can be demonstrated that Reformers were not inventing something new but instead were recovering something old then key tenets of the Protestant faith are greatly affirmed Hence the need for this book
