H. Almaas, 2000-09-05 The founder of the Diamond Approach to Self Realization examines narcissism through a spiritual lens presenting it as our greatest barrier to understanding our truest self In this book the author explores the underlying spiritual understanding of narcissism He presents a detailed map of the steps involved in working through barriers that prevent us from recognizing the most essential nature of our true identity Almaas is one of the most significant voices for a new and remarkably integrated spiritual vision His work connects the personal the universal the psychological and the spiritual not as pieces put together but as the inseparable mandala of the sacred that we are I respect his work to the highest degree and commend it to anyone interested in living the life of the spirit Jack Kornfield Ph D author of After the Ecstasy the Laundry
