theology will find this an incomparable resource *Dictionary of the Later New Testament & Its Developments* Ralph P. Martin, Peter H. Davids, 2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament Acts Hebrews the General Epistles and Revelation Expert contributors present more information than any other single work dealing exclusively with the theology literature background and scholarship of the later New Testament and the apostolic church *A Handbook on the Jewish Roots of the Christian Faith* Craig Evans, David Mishkin, 2021-04-18 A Handbook on the Jewish Roots of the Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith It includes Old Testament background Second Temple Judaism the life of Jesus the New Testament and the early Jewish followers of Jesus It is intended as a resource for college and or higher education It is no longer a novelty to say that Jesus was a Jew In fact the term Jewish roots has become something of a buzzword in books articles and especially on the internet But what does the Jewishness of Jesus actually mean and why is it important This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith It consists of thirteen chapters most of which are divided into four or five articles It is in a handbook format meaning that each article is brief but informative The thirteen chapters are grouped into four major sections 1 The Soil 2 The Roots 3 The Trunk and 4 The Branches Craig A Evans PhD D.Hab. is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas He is a frequent contributor to scholarly journals and the author or editor of over seventy books Evans resides in Houston TX David Mishkin PhD serves on the faculty of Israel College of the Bible in Netanya Israel He is the author of *The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus* *Jew Among Jews* Kimberly Ambrose, 2015-11-17 Misunderstanding of Paul had started already in his lifetime and his letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented

The Atonement David L. Allen, 2019-04-01 In this accessible resource author David L Allen carefully summarizes the doctrine of the atonement with definitions of key terms discussion of key Old and New Testament texts and a survey of the historical theories of the atonement **Dictionary of Paul and His Letters** Gerald F. Hawthorne, Ralph P. Martin, Daniel G. Reid, 1993 No other single reference work presents as much information focused exclusively on Pauline theology literature

background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies Bloodline Deliverance Mike and Andrea Brewer, *The Gospel Truth: How We Can Know What Christ Taught* Gary Michuta, 2023-03-17 Hundreds of books have been written to vindicate the Gospels by noting that they were written closer to the events they record than any other ancient history But how do we know that they accurately recorded what Jesus said and did How do we know they didn't fabricate their contents That Jesus really did work the miracles reported in the Gospels Most important of all how do we know what is the authentic interpretation of his words and deeds Christian apologists have largely neglected to answer these significant questions because they have focused instead on vindicating the Gospels apart from the community that wrote them The Gospel Truth fills in this gap by demonstrating that a concerted and sophisticated effort was made to ensure that what Jesus taught and did was accurately retained recorded verified and passed on to future believers It also shows how we can know whether our copies of Scripture reflect the original whether the books in our Bible really belong there and ways to know how to correctly understand them
