Every Woman a Theologian Phylcia Masonheimer, 2023-02-28 Know what you believe and live it boldly Phylcia

Masonheimer believes that every woman should be a theologian and a student of the heart of God. Learn the basics of Christian theology and why it is so important to continue your biblical education to grow deeper in faith. Discover how scriptural knowledge can help you navigate the world, answer your toughest questions, and engage culture in loving ways. All of us have guiding principles at work behind our choices, even if we don't realize it. We hold beliefs about the world, ourselves, and God's beliefs perhaps we may have adopted unknowingly based on experience or culture's messages. But God has revealed Himself through Scripture so it can transform how we view and navigate the world, how we think, act, love, work, marry, and parent. When we do that, we become theologians. No, we're not wearing tweed suits or giving lectures; we're driving to our corporate job every morning or juggling babies on our own or connecting with our communities. We are women who want to know who God is and how He answers our toughest questions. Through engaging stories and compelling truths, *Every Woman a Theologian* will help you identify your existing beliefs about God, salvation, and the Christian life. Learn how to lovingly communicate Christian truths to those who disagree. Understand theological concepts without feeling overwhelmed or inadequate. Grow closer to the heart of God. Step in that direction with Phylicia Masonheimer as your guide, and you will grow as a woman able to discern truth, who knows what she believes, and who lives her faith boldly in a post-Christian world.

The Balanced Approach To Healing Chris Mirrlees, 2016-04-26. In *The Balanced Approach to Healing*, Chris takes you on a journey through the Scriptures to provide you with faith and confidence that it is God's desire to heal the sick. Jesus Christ is the same yesterday and today and forever. Hebrews 13:8, "Jesus still heals today." Yet what about the people who pray earnestly to God and are not healed? If it is God's will to heal, then why isn't everyone healed? Who asks? Chris deals with these questions and provides the answers that will help those seeking healing to maintain their confidence in God's will and strengthen the faith of all believers concerning God's ability to do what He promises. Entirely biblical in its scope, this book will show you what is potentially hindering those who are in need of healing while also helping you to understand how to continue pressing into God for what He promises.
