

COMRADE STALIN'S BABY TOOTH

MARINA SONKINA

Comrade Stalins Baby Tooth

Simon Sebag Montefiore

Comrade Stalins Baby Tooth:

Comrade Stalin's Baby Tooth Marina Sonkina, 2012-05-01 IN THE VILLAGE OF MERRY LIMP Aunt Zina runs a butcher shop On Sinew Monday only sinews are sold On Bone Tuesday the populace can buy bones and so on for the rest of the week Thus Marina Sonkina lays the groundwork for a surreal satire on Stalin s USSR Seen through the eyes of the eleven year old Natasha the story unfolds in a mad procession of events incongruous characters party meetings and slogans We encounter railway workers officials and party leaders all the way to characters like Beria and Stalin himself Audaciously using grotesque as her method of description Sonkina resurrects the fears the cruelty and the absurdity of people s lives under Stalin As all good satire Comrade Stalin s Baby Tooth puts a reflective mirror to the past warning us about the future The book illustrated with colour propaganda posters of the period is presented in the manner of an official document from the KGB files What readers could forget their introduction to Merry Limp Cemetery or a chess game at Lenin s tomb involving live pawns wearing crimson tutus The wit satire imagination and empathy of Comrade Stalin s Baby Tooth not to mention all the playful narrative surprises and memorable imagery convey the human capacity in Faulkner s words not only to endure but to prevail To make poetry and comedy out of waste and horror is doubtless difficult but Marina Sonkina admirably manages both Elise Partridge author of *Chameleon Hours* *As I Was Burying Comrade Stalin* Arkady Polishchuk, 2020-04-17 Arkady Polishchuk came of age in Stalin s Russia in the turbulent times before during and after World War II His love for the Soviet dictator persisted for years until Polishchuk a 19 year old Jew was not admitted to the university In 1952 he learned about the preparations for mass deportation of Jews to Siberia He celebrated Stalin s death in 1953 but state oppression dominated his life as before As a young reporter for the Kostroma regional newspaper he met with destitute plowmen teenage milkmaids and former prisoners turned woodcutters and wrote about them When his satirical flair outraged a Communist Party secretary the KGB initiated a political case against him and he fled to avoid persecution His memoir describes his painstaking journey toward mental and spiritual liberation *Thank You, Comrade Stalin!* Jeffrey Brooks, 2001-03-04 Drawing from research into the most influential Russian newspapers this book explores the nature origins and effects of the idealization of the state Communist Party and leader in the Soviet Union between the Revolution and the Cold War *Stalin's Barber* Paul M. Levitt, 2012-12-16 Avraham Bahar leaves debt ridden and depressed Albania to seek a better life in ironically Stalinist Russia A professional barber he curries favor with the Communist regime ultimately being invited to become Stalin s personal barber at the Kremlin where he is entitled to live in a government house with other Soviet dignitaries In the intrigue that follows Avraham now known as Razan is not only barber to Stalin but also to the many Stalin look alikes that the paranoid dictator circulates to thwart possible assassination attempts including one from Razan himself *Curse of Russia* Kate Valery, 2009-09-29 In Russia at night a despairing young woman of royal blood runs away from her husband s rich estate carrying her baby in her arms to a new life as an artist 1896 In California on a playground a 10 year old

girl calls on her cell phone 911 trying to save her dying grandmother's life 2006 One hundred and ten years separate these two events one hundred and ten years of one Russian family seen from a child's perspective In the little girl's eyes is reflected the whole portrait of Russia in the 20th century the historical moments life style traditions mentality and fates of its people like one shiny raindrop can sometimes reflect the whole world *Curse of Russia* is a page turner book with subtle dramaturgic line and amazing real living characters

The Icon and Axe James Billington, 2010-09-22 A sweeping intricate description of Russian cultural history spanning the pre Romanov era through six centuries to the reign of Joseph Stalin Flowing with ease through time and topic from art to music literature philosophy mythology and more the book provides readers with an alluring portrayal of Russia's proud heritage Its impressive scope and lasting insights have made it a foundational text in Russian studies In fact it was this book more than any other that captured my imagination and propelled me toward the study of Russia and the Soviet Union Condoleezza Rice *The New York Times* A rich and readable introduction to the whole sweep of Russian cultural and intellectual history from Kievan times to the post Khrushchev era *Library Journal* Includes Illustrations references index

Stalin Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar From the bestselling author of *The Romanovs* The first intimate portrait of a man who had more lives on his conscience than Hitler Disturbing and perplexing *The New York Times Book Review* Based on groundbreaking research Simon Sebag Montefiore reveals the fear and betrayal privilege and debauchery family life and murderous cruelty of this secret world Written with bracing narrative verve this feat of scholarly research has become a classic of modern history writing Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character this is an intimate portrait of a man as complicated and human as he was brutal and chilling

Life and Fate Vasily Grossman, 2012-06-13 A book judged so dangerous in the Soviet Union that not only the manuscript but the ribbons on which it had been typed were confiscated by the state *Life and Fate* is an epic tale of World War II and a profound reckoning with the dark forces that dominated the twentieth century Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle class family the Shaposhnikovs scattered by fortune from Germany to Siberia Vasily Grossman fashions an immense intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope *Life and Fate* juxtaposes bedrooms and snipers nests scientific laboratories and the Gulag taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature

Stalin Stephen Kotkin, 2018-11-20 Monumental *The New York Times Book Review* Pulitzer Prize finalist Stephen Kotkin has written the definitive biography of Joseph Stalin from collectivization and the Great Terror to the conflict with Hitler's Germany that is the signal event of modern world history In 1929 Joseph Stalin having already

achieved dictatorial power over the vast Soviet Empire formally ordered the systematic conversion of the world's largest peasant economy into socialist modernity otherwise known as collectivization regardless of the cost. What it cost and what Stalin ruthlessly enacted transformed the country and its ruler in profound and enduring ways. Building and running a dictatorship with life and death power over hundreds of millions made Stalin into the uncanny figure he became. Stephen Kotkin's *Stalin: Waiting for Hitler, 1929-1941* is the story of how a political system forged an unparalleled personality and vice versa. The wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism. But Stalin did not flinch. By 1934 when the Soviet Union had stabilized and socialism had been implanted in the countryside, praise for his stunning anti-capitalist success came from all quarters. Stalin, however, never forgave and never forgot with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself. Stalin's obsessions drove him to execute nearly a million people, including the military leadership, diplomatic and intelligence officials, and innumerable leading lights in culture. While Stalin revived a great power, building a formidable industrialized military, the Soviet Union was effectively alone and surrounded by perceived enemies. The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany. But that bargain would not unfold as envisioned. The lives of Stalin and Hitler and the fates of their respective dictatorships drew ever closer to collision as the world hung in the balance. *Stalin: Waiting for Hitler, 1929-1941* is a history of the world during the build up to its most fateful hour from the vantage point of Stalin's seat of power. It is a landmark achievement in the annals of historical scholarship and in the art of biography. *The Stalin Revolution* Robert Vincent Daniels, 1990
