Condoleezza Rice A Memoir Of My Extraordinary Ordinary Family And Me:

Condoleezza Rice: A Memoir of My Extraordinary, Ordinary Family and Me Condoleezza Rice, 2012-01-10 From Condoleezza Rice former secretary of state and New York Times bestselling author of Democracy Stories from the Long Road to Freedom comes a captivating memoir of her remarkable childhood Condoleezza Rice's life began in Birmingham Alabama in the 1950s a place and time where black people lived in a segregated parallel universe away from their white neighbors She grew up during the violent and shocking 1960s when bloodshed became a part of daily life in the South Rice's portrait of her parents John and Angelena highlights their ambitions and frustrations and shows how much they sacrificed to give their beloved only child the best chance for success Rice also discusses the challenges of being a precocious child who was passionate about music ice skating history and current affairs Her memoir reveals with vivid clarity how her early experiences sowed the seeds of her political beliefs and helped her become a vibrant successful woman Condoleezza Rice A Memoir of My Extraordinary Ordinary Parents and Me is a fascinating and inspirational story for young people adapted from Condoleezza Rice's adult sensation Extraordinary Ordinary People A Memoir of Family Includes a 16 page photo insert Praise for Extraordinary Ordinary People A Memoir of Family An origins story memoir is teeming with fascinating detail The New York Times A thrilling inspiring life of achievement Publishers Weekly Surprisingly engrossing Daily Beast Vivid and heartfelt writing Highly recommended Library Journal [Extraordinary, Ordinary People](#) Condoleezza Rice, 2011-10-11 This is the story of Condoleezza Rice that has never been told not that of an ultra accomplished world leader but of a little girl and a young woman trying to find her place in a sometimes hostile world of two exceptional parents and an extended family and community that made all the difference Condoleezza Rice has excelled as a diplomat political scientist and concert pianist Her achievements run the gamut from helping to oversee the collapse of communism in Europe and the decline of the Soviet Union to working to protect the country in the aftermath of 9 11 to becoming only the second woman and the first black woman ever to serve as Secretary of State But until she was 25 she never learned to swim because when she was a little girl in Birmingham Alabama Commissioner of Public Safety Bull Connor decided he'd rather shut down the city's pools than give black citizens access Throughout the 1950's Birmingham's black middle class largely succeeded in insulating their children from the most corrosive effects of racism providing multiple support systems to ensure the next generation would live better than the last But by 1963 Birmingham had become an environment where blacks were expected to keep their head down and do what they were told or face violent consequences That spring two bombs exploded in Rice's neighborhood amid a series of chilling Klu Klux Klan attacks Months later four young girls lost their lives in a particularly vicious bombing So how was Rice able to achieve what she ultimately did Her father John a minister and educator instilled a love of sports and politics Her mother a teacher developed Condoleezza's passion for piano and exposed her to the fine arts From both Rice learned the value of faith in the face of hardship and the importance of giving back to the community Her parents fierce unwillingness to

set limits propelled her to the venerable halls of Stanford University where she quickly rose through the ranks to become the university's second in command. An expert in Soviet and Eastern European Affairs, she played a leading role in U.S. policy as the Iron Curtain fell and the Soviet Union disintegrated. Less than a decade later, at the apex of the hotly contested 2000 presidential election, she received the exciting news just shortly before her father's death that she would go on to the White House as the first female National Security Advisor. As comfortable describing lighthearted family moments as she is recalling the poignancy of her mother's cancer battle and the heady challenge of going toe to toe with Soviet leaders, Rice holds nothing back in this remarkably candid telling.

Witness to Belief Russell J. Levenson, 2025-10-07 From a beloved faith leader, a collection of powerful conversations on faith and meaning with twelve public figures who explore the impact of faith in their lives and their success. An openhearted testament to the power of religious belief in a chaotic world. Publishers Weekly. Through interviews with twelve remarkable and renowned people of various Christian faiths, author Russell J. Levenson Jr. explores different ways people come to faith and sustain it in their daily lives. The result is a collection of fascinating, moving, and unique stories rarely shared with the public. For instance, Secretary Rice notes that she knelt down to pray every night when she worked in Washington, but often was so tired she fell asleep during prayer time. Denzel Washington asked to begin and end the interview for this book in prayer. With Levenson and Amy Grant, she shared that because of a brain injury, she now has trouble reciting scripture, so she sings it instead. Each interview delves into the private spiritual side of public figures and reveals that behind success and fame, there is often a vibrant personal faith in God that nourishes them. Jim Nantz and Brit Hume reflect on the role of their faith as they pursued careers in broadcasting. Sam Waterston and Gary Sinise share thoughts on faith as they navigated fame in the entertainment industry. James A. Baker III, Admiral William McRaven, and Ambassador Nikki Haley consider how faith helped them make tough political decisions, and Dr. Francis Collins and Jane Goodall ponder the bridge between faith and science. You will come away contemplating the role of faith in your own life and consider what truly matters at the end of the day.
