Confederate Cities Historical Studies America:

Confederate Cities Andrew L. Slap, Frank Towers, 2015-11-17 When we talk about the Civil War it is often with references to battles like Antietam Gettysburg Bull Run and perhaps most tellingly the Battle of the Wilderness which all took place in the countryside or in small towns Part of the reason this picture has persisted is that few of the historians who have studied the war have been urban historians even though cities hosted enabled and shaped southern society as much as in the North The essays in Andrew Slap and Frank Towers's collection seek to shift the focus from the agrarian economy that undergirded the South to the cities that served as its political and administrative hubs By demanding a more holistic reading of the South this collection speaks to contemporary Civil War scholars and classrooms alike not least in providing surprisingly fresh perspectives on a well studied war

The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience **Special**

American Sectionalism in the British Mind, 1832-1863 Peter O'Connor, 2017-11-13 Using an innovative interdisciplinary approach *American Sectionalism in the British Mind 1832-1863* provides a corrective to simplified interpretations of British attitudes towards the US during the antebellum and early Civil War periods It explores the many complexities of transatlantic politics and culture and examines developing British ideas about US sectionalism from the abolition of slavery in the British Empire and the Nullification Crisis in South Carolina 1832-1883 through to the Civil War It also demonstrates how these pre-war engagements with the US influenced popular British responses to the outbreak of the Civil War *The Routledge History of Nineteenth-Century America* Jonathan Daniel Wells, 2017-09-14 The Routledge History of Nineteenth Century America provides an important overview of the main themes within the study of the long nineteenth century The book

explores major currents of research over the past few decades to give an up to date synthesis of nineteenth century history It shows how the century defined much of our modern world focusing on themes including immigration slavery and racism women s rights literature and culture and urbanization This collection reflects the state of the field and will be essential reading for all those interested in the development of the modern United States Papers of the American Historical Association ,1890 **Civil War Savannah: Savannah, immortal city** Barry Sheehy,Cindy Wallace,Vaughnette Goode-Walker,2011 An epic iv volume history a city people that forged a living link between America past present

Papers of the American Historical Association American Historical Association,1890 Include proceedings of the annual meetings *Irish American Civil War Songs* Catherine V. Bateson,2022-09-28 Irish born and Irish descended soldiers and sailors were involved in every major engagement of the American Civil War Throughout the conflict they shared their wartime experiences through songs and song lyrics leaving behind a vast trove of ballads in songbooks letters newspaper publications wartime diaries and other accounts Taken together these songs and lyrics offer an underappreciated source of contemporary feelings and opinions about the war Catherine V Bateson s *Irish American Civil War Songs* provides the first in depth exploration of Irish Americans use of balladry to portray and comment on virtually every aspect of the war as witnessed by the Irish on the front line and home front Bateson considers the lyrics themes and sentiments of wartime songs produced in America but often originating with those born across the Atlantic in Ireland and Britain Her analysis gives new insight into views held by the Irish migrant diaspora about the conflict and the ways those of Irish descent identified with and fought to defend their adopted homeland Bateson s investigation of Irish American song lyrics within the context of broader wartime experiences enhances our understanding of the Irish contribution to the American Civil War At the same time it demonstrates how Irish songs shaped many American balladry traditions as they laid the foundation of the Civil War s musical soundscape Warm Ashes Winfred B. Moore,Kyle S. Sinisi,David H. White,2003 Selected from papers presented at the 2000 Citadel Conference on the South this collection of essays casts additional light on the southern experience and illuminates some of the directions its formal study may take in the new century Emory Thomas opens the collection with a meditation on the shortcomings of the historical literature on the Civil War era Essays by James McMillin Kirsten Wood and Patrick Breen revise estimates about the volume of the African slave trade reveal how white widows embraced paternalism and explore new ramifications of the fear of slave insurrection Essays by Christopher Phillips on the birth of southern identity and by Brian Dirck and Christopher Waldrep on the key role language played in waging and in resolving the Civil War round out the discussion of the Old South Turning to the New South the next groups of essays examine religion and race relations during the Jim Crow era Paul Harvey Joan Marie Johnson James O Farmer Jr and William Glass show how the beliefs of various Protestant churches Pentecostal Episcopalian Presbyterian and Methodist produced surprising episodes of racial interaction gave rise to at least one vocal c
