Confessions After Dark Kahlen Aymes, 2014-04-13 Erotic Contemporary Romance 18 for descriptive love scenes and language Sparks Fly Lines Blur and Hearts Break Alexander Avery is rich powerful and the sexiest man Angeline Hemming has ever laid eyes on a man like every woman dreams about Angel is not immune to his sensual and ruthless pursuit and Alex is intoxicated by the beautiful doctor overwhelmed with desire like he's never known As the profiling case Angel is working on gets more and more dangerous Alex finds himself filled with unfamiliar panic and emotional turmoil his need to protect her goes against Angel's adamant insistence that she doesn't need his help He isn't a man to sit on the sidelines when the woman he's obsessed with is threatened so he takes control to protect her without telling her of his plans Angel's fortitude is shaken when her stalker invades not only her personal life but also those close to her even when that someone is powerful and seemingly untouchable Professional ethics insist she keep the details of her work away from her lover even as their newfound closeness has her yearning to confide in him But as Angel's quest to protect her heart from Alex's undeniable pull equals her need to keep him out of a dangerous situation circumstances dictate a huge decision which could have detrimental and irreversible consequences for them both When danger threatens and jealousy reaches the boiling point lies will be told and secrets kept Even with the best intentions and the most undeniable connection the deepest of loves will be tested

After Dark Wilkie Collins, 1893 *Desire After Dark* Andrew J. Owens, 2021-03-02 Since the 1960s the occult in film and television has responded to and reflected society's crises surrounding gender and sexuality In *Desire After Dark* Andrew J. Owens explores media where figures such as vampires and witches make use of their supernatural knowledge in order to queer what otherwise appears to be a normative world Beginning with the global sexual revolutions of the 60s and moving decade by decade through Euro sleaze cinema and theatrical hardcore pornography the HIV AIDS crisis the popularity of New Age religions and witchcraft and finally the increasingly explicit sexualization of American cable television Owens contends that occult media has risen to prominence during the past 60 years as a way of exposing and working through cultural crises about queerness Through the use of historiography and textual analyses of media from *Bewitched* to *The Hunger* Owens reveals that the various players in occult media have always been well aware that non normative sexuality constitutes the heart of horror's enduring appeal By investigating vampirism witchcraft and other manifestations of the supernatural in media *Desire After Dark* confirms how the queer has been integral to the evolution of the horror genre and its persistent popularity as both a subcultural and mainstream media form **The Confessions** Carmas
