Counting The Omer A Daily Devotional Toward Shavuot:

Counting the Omer William Mark Huey, 2012-01-03 The seven week period between the Biblical festivals of Passover and Shavuot or Pentecost is the season of Counting the Omer Leviticus 23 10 16 Deuteronomy 16 9 11 Originally in the Tabernacle and Temple of Ancient Israel the priests were to present special offerings before the Lord each day for the fifty day count Psalm 67 was among the hymns recited and employed to offer praise and adoration to Him Since the destruction of the Second Temple various Jewish traditions have been developed in order to make the seven week or fifty day Omer Count a very special time to focus on God His blessings and the important themes of Shavuot Today s Messianic Believers can surely benefit from any discipline where God s people can review various Scripture passages for a set time and allow themselves to be prepared for great things when the Feast of Weeks is finally observed The awesome wisdom and goodness of our Heavenly Father are things definitely worthy of exploration and contemplation via a reflection upon the themes of various Psalms and how they relate to our understanding of Shavuot and our faith in Yeshua the Messiah Jesus Christ Counting the Omer A Daily Devotional Toward Shavuot is a compilation of insightful encouraging messages that examines a passage from Psalms every day for the fifty day Omer Count season Each exhortation is intended to prepare you for the commemoration of Shavuot Pentecost at the end of seven weeks Gleaned from the studies and notes of William Mark Huey it is the author s intent that God s people can not only be energized to Count the Omer themselves but be specially prepared to experience His presence when the Feast of Weeks finally arrives

Omer/Teshuvah Shifrah Tobacman, 2013-08-26 This is the second edition of Shifrah Tobacman s unique and inspirational poetic meditations for counting the Omer or turning toward a new year These poems will open your heart and spirit ABOUT OMER TESHUVAH This book invites us to breathe the air and taste the nectar of the holy moving through multi dimensional time encountering the sacred in the daily It can be read from one end or the other offering for our delight in the words of Gate 38 a rainbow of colours a delicious sip of possibilities Professor Dr Ibrahim Farajaje Provost and Professor of Cultural and Islamic Studies Starr King Graduate Theological Union Each of the 49 gates of wisdom through which we walk during our seven week journey from Pesach to Shavuot and rather innovatively also during the seven weeks leading to Rosh HaShanah are explored with poetic depth and insight by Shifrah

Tobacman Allow these daily gems to inform and enrich your pilgrimage You will not be disappointed Rabbi Marcia Prager Dean of Students Aleph Ordination Programs Author of Path of Blessing The poetic meditations in this collection are drawn from the author s own practice of counting the Omer The Omer is a forty nine day period between the Jewish holiday of Pesach which celebrates freedom and Shavuot a time of revelation The practice also has agricultural origins linked to the spring harvest in ancient Israel The communal and agricultural roots of the Omer period make it an excellent opportunity for considering our relationship to each other to the Earth that sustains us and to the Source of All Life that blesses our own lives each day In 2006 author Shifrah Tobacman attended a seminar taught by Rabbi Zalman Schachter Shalomi He mentioned the idea of counting in a similar fashion for the seven weeks that lead up to Rosh Ha shana the Jewish new year He had heard of this idea from Cantor Michael Esformes who recommended counting down from forty nine at this time As Shifrah began to engage in this practice she found herself writing these poems which turned into meditations and finally became the substance of this book The meditations here are well suited for either counting the Omer or in preparing spiritually for a new year Shifrah is using the term Omer Teshuvah or Omer Teshuvah for the practice of counting down to the new year This counting begins immediately following Tisha B av which commemorates the destruction of the ancient Temple in Jerusalem The Hebrew word teshuvah refers to turning or returning It is used to describe the process of soul searching and forgiveness that Jews engage in particularly during the High Holy Days in the Fall and during the weeks which precede them One of Shifrah s teachers Rabbi Shawn Zevit offers these thoughts on Omer Teshuvah Raising up the motifs of each day and adding to our spiritual practice this collection guides the reader from a mindset of scarcity and tentative self realization through the sea of distraction and self doubt to a mountain of possibility and spiritual vibrancy Read these and help make each day count

Omer Karyn Kedar, 2014-03-10 The counting of the Omer begins with the escape from enslavement to the wandering path of freedom leading to a mystical encounter with God Sinai and Torah This volume beginning with its informative contextual introduction provides a spiritual guide for a personal journey through the Omer toward meaningful and purposeful living Beautiful and evocative readings for each day matched with the daily Omer blessing offer a transformative path from Passover to Shavuot

TorahScope, Volume I William Mark Huey, 2012-02-22 Every week in Jewish synagogues the world over a selection of a few chapters is considered from the Torah the Pentateuch or the Law of Moses The discipline of reading the parashah or Torah portion on Shabbat the Sabbath has helped maintain the cohesion of the Jewish people for millennia As Messianic congregations have been formed this tradition is something which has helped enliven the Bible readings and studies of those Jewish Believers and evangelical Christians embracing their Hebraic Roots alike who look to Moses Teaching to tell us something about the relationship each of us is to have with Yeshua the Messiah Jesus Christ and how we are to grow in holiness What are the benefits of consistently examining the Torah What old lessons might need to be re learned every year and what are some new lessons for God s people to be considering How will the Torah

form a major part of the emerging Messianic movement's understanding of the mission of God and with what He wants to do with His people. Will we really be able to understand the admonition: "The secret things belong to the LORD our God but the things revealed belong to us and to our sons forever that we may observe all the words of this law" (Deuteronomy 29:29)?

TorahScope Volume I is a compilation of insightful reflective commentaries on the weekly Torah readings gleaned from the studies and notes of William Mark Huey. Written from a Messianic perspective, this volume shares his conviction that a Believer's life and walk with the Messiah Yeshua can be viewed through the grid and lens of consistent Torah study. It provides contemporary examples of the relevancy of the Torah to all Messiah followers and how we are to all be conformed to His image (Romans 8:29).

Counting the Omer 50 Days Of Prayer G Earl Enterline, 2022-04-11

Fifty Days of Prayer is a devotional that can be used by congregations and individuals alike during the counting of the omer. What better time to pray than during the counting of the omer? Even the disciples prayed in one mind in unity during this time. Help your congregation draw closer to Adonai in prayer and unity. This devotion can be used individually to draw near and pray daily. Use this devotion to be in unity with the body of Messiah during the counting of the omer. Yeshua said to them: "I am the bread of life. Whoever comes to Me will never be hungry and whoever believes in Me will never be thirsty" (John 6:35). TLV: Yeshua is our manna. He is the bread of life. So when we count the omer, we are reminded that Messiah is the Bread of Heaven that gives everlasting life to the world. Each Day will have Scripture that will line up with a Prayer Focus, then a general Prayer followed by Prayer Points. Some of these focuses will be on our individual walk with Adonai. Other focuses will be on groups of people and issues that believers face every day. Some issues are sensitive and hard in hopes that the Ruach will move in our hearts, deliver and heal us, making us a Bride without spot or blemish. Then you are to count from the morrow after the Shabbat from the day that you brought the omer of the wave offering seven complete Shabbatot. Until the morrow after the seventh Shabbat, you are to count fifty days and then present a new grain offering to ADONAI (Leviticus 23:15-16). TLV.

TorahScope, Volume II William Mark Huey, 2012-03-23

Every week in Jewish synagogues the world over a selection of a few chapters is considered from the Torah, the Pentateuch or the Law of Moses. The discipline of reading the parashah or Torah portion on Shabbat, the Sabbath, has helped maintain the cohesion of the Jewish people for millennia. As Messianic congregations have been formed, this tradition is something which has helped enliven the Bible readings and studies of those Jewish Believers and evangelical Christians embracing their Hebraic Roots alike who look to Moses' Teaching to tell us something about the relationship each of us is to have with Yeshua, the Messiah, Jesus Christ, and how we are to grow in holiness. What are the benefits of consistently examining the Torah? What old lessons might need to be relearned every year and what are some new lessons for God's people to be considering? How will the Torah form a major part of the emerging Messianic movement's understanding of the mission of God and with what He wants to do with His people? Will we really be able to understand the admonition: "The secret things belong to the LORD our God but the things revealed belong to us and to

our sons forever that we may observe all the words of this law Deuteronomy 29 29 TorahScope Volume II is a second year s compilation of insightful reflective commentaries on the weekly Torah readings gleaned from the studies and notes of William Mark Huey Written from a Messianic perspective this volume shares his conviction that a Believer s life and walk with the Messiah Yeshua can be viewed through the grid and lens of consistent Torah study It provides contemporary examples of the relevancy of the Torah to all Messiah followers and how we are to all be conformed to His image Romans 8 29 *Omer Teshuvah* Shifrah Tobacman,2012-03-08 *Omer Teshuvah* collects Shifrah Tobacman s poems for Counting the Omer mindfully sanctifying the passage of time between Pesach and Shavuot and if you read the book from back to front these poems can be used for the Omer Teshuvah the 49 days between Tisha b Av and Rosh Hashanah These devotional poems will open your heart and spirit *Sayings of the Fathers: a Messianic Perspective on Pirkei Avot* William Mark Huey,2012-09-27 The Mishnah tractate Pirkei Avot or Sayings of the Fathers is a compilation of wise sayings proverbs and anecdotes dating from the Third Century B C E Third Century C E forming much of the basis of ancient Jewish ethics Many important parallels can be seen between remarks made in the Pirkei Avot and the wisdom sayings or teachings of Yeshua the Messiah James the Just and the Apostles Peter and Paul In the Jewish community today the Pirkei Avot are traditionally read and considered during the seven weeks between the festivals of Passover and Shavuot Sayings of the Fathers A Messianic Perspective on Pirkei Avot takes readers through not just one but two years of fifty day reflections and six bonus days of some of the ancient wisdom seen in this valuable text You will not only be introduced to some of the key views present in the Apostolic period but also be able to weigh the value that the Jewish Sages have in your own personal study and reflection upon the Holy Scriptures Be prepared to join into an ancient discussion that spans the ages as you reflect on these words Be blessed as your faith and outlook on the world are enriched and you have more to take to your Heavenly Father in prayer
