Coursemate For Ebertculyers School An Introduction To Education 3rd Edition:

I. E. School Edward S. Ebert, Richard C. Culyer, 2008 An Introduction to Education Hasan Arslan, 2018-07-26 This volume offers a set of strategies and materials in education developed to assist teachers in guiding their classroom and students in understanding fundamental subjects of teaching. It serves to ensure the highest levels of academic achievement for all students and will help students develop a positive self concept by providing knowledge about the various dimensions of teaching. Including contributions from academics and researchers the book encompasses eight chapters: Fundamental Concepts of Education, Teachers and Teaching, Social Foundation of Education, Philosophy and Educational Philosophy, Psychology and Educational Psychology, Foundation of Educational Politics, Comparative Educational Systems, and Sociocultural Perspectives. This volume will appeal to a wide range of readers including educators, researchers, students, teacher trainers, and teachers of all subjects and of all levels who wish to develop both personally and professionally.

Teachers, Schools, and Society: A Brief Introduction to Education Karen Zittleman, David M. Sadker, 2011-10-10 Combining the brevity of a streamlined Introduction to Education text with the support package of a much more expensive book, the brief edition of Teachers, Schools, and Society encourages experienced instructors to explore their own creativity while ensuring that newer faculty can teach the course with confidence. David Sadker's and Karen Zittleman's lively writing style captures the joys and challenges of teaching. The text stresses the importance of fairness and justice in school and society, focuses on the most crucial topic areas, and integrates the most current issues in education. In addition, the wealth of activities included, from online video observations to portfolio building exercises, offers a broad range of ways to introduce students to the teaching profession. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook, an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content; Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course; Progress dashboards that quickly show how you are performing on your assignments and tips for improvement; The option to purchase for a small fee a print version of the book. This binder-ready, loose-leaf version includes free shipping.
