Creative Mind Tapping The Power Within Square One Classics:

Creative Mind Ernest S. Holmes, 2014-01-07 A brilliant speaker gifted thinker and inspired writer Dr Ernest S Holmes founded the United Church of Religious Science His message is simple The universe has intelligence purpose and order By understanding its principles and applying them to ourselves we can see who we are and what we truly want in life **Creative Mind** was written as a simple guide for the many thousands who came to hear his words and wished to know more **WAKE Up to Your Potential!** Albert Mensah, 2011-02-15 Adversity A fancy word for tough times While it s true that we all face challenges and hardships during our lives it seems that more and more of us are faced with them right now And we all know that we re most likely to feel what others around us are feeling If those around us are feeling lost hopeless and pessimistic about the future then guess what We re going to feel that way too It s the herd mentality come to haunt us again We don t like to think of ourselves as members of a herd but let s face it our society can be seen as one Herd mentality of course describes how people are influenced by their peers to adopt certain behaviors follow trends in action or thought Currently the trend is toward negative thinking which can be contrasted to the optimistic trend of the 1950 post war era in America where prosperity for all was thought to be both possible and probable It was Friedrich Nietzsche the German philosopher who coined the phrase These human herds could be divided into two groups One group assumes a religious point of view and their beliefs dictate their actions The other group is influenced by the media and their actions are based upon what others perceive as right Today right thinking includes the opinions of media pundits stock market analysts and others who claim that the American Dream is dead or at least terminally ill And where there s one negative thinker there can be a dozen who are influenced by them While Nietzsche saw these examples of group thinking to be reflections of weakness in the human social spirit he did create the concept of the Superman that person who overcomes the values of the herd That s what you re going to re create yourself into that Superman or Superwoman who rejects the common thinking of others in their reality Only by discarding that negative thinking can you truly wake up to the opportunities around you and take advantage of them
