Creatures Of Philippine Lower Mythology By Maximo D Ramos

Maximo D. Ramos

Creatures Of Philippine Lower Mythology By Maximo D Ramos:

The Creatures of Philippine Lower Mythology Maximo D. Ramos, 1990-01-31 IMAGINARY CREATURES depicted in a people's lower mythology are one of the most important phenomena in their belief systems. This is because the common folk in particular must strive to maintain harmonious relations with these creatures, a continuous process that permeates many aspects of their everyday lives and requires the intercession of a special person in the community who acts as the medium of communication between them. The subject of Maximo D. Ramos's work is the creatures of Philippine lower mythology as this level of folklore is called. In undertaking this study, Dr. Ramos directed his efforts to two principal tasks: 1. making a taxonomic classification of all the beings which in his opinion fall within the framework of the problem as found in Philippine folk beliefs, and 2. correlating the implications of these beliefs in terms of these classifications to education, particularly on the elementary level. The taxonomic classification is intended to help clear up the confusion that attended earlier studies of these creatures. This is indeed the first attempt to systematize the identities of these Philippine mythological beings for the benefit of folklore scholarship. More specifically, Ramos writes: "Where names, traits, and functions appear to have become confused through the process of transfer that constantly occurs in traditional lore, it was thought fruitful to point these out and then attempt to account for them." In spite of the very extensive Christianization of the Filipinos, particularly the lowlanders, these mythical entities still persist in their traditional belief systems; hence, the student of folk traditions cannot ignore them if he is to achieve greater relevance in his studies. Little by little, the perspective from which these creatures have been traditionally viewed is bound to change until they are accepted as part of our cultural heritage. This change is bringing about an understanding of these creatures' function in our society. The present work is primarily taxonomic in nature, but it sheds light into many of the dark corners of Philippine folklore studies and brings to the reader a fuller understanding of the most maligned inhabitants of the Philippine other world. Herein lies the major contribution of Dr. Ramos: a basic recognition and a deeper insight into the cultural heritage of the Filipino.

The Creatures of Philippine Lower Mythology Maximo D. Ramos, 2019-11-30 IMAGINARY CREATURES depicted in a people's lower mythology are one of the most important phenomena in their belief systems. This is because the common folk in particular must strive to maintain harmonious relations with these creatures, a continuous process that permeates many aspects of their everyday lives and requires the intercession of a special person in the community who acts as the medium of communication between them. The subject of Maximo D. Ramos's work is the creatures of Philippine lower mythology as this level of folklore is called. Creatures of Philippine Lower Mythology Maximo D. Ramos, 1990

The Creatures of Midnight Maximo D. Ramos, 1990-01-10 This book tells about 85 creatures of legend from Philippine Folklore Many people believe that they exist and are afraid of them The people of the ancient Philippines believed many things about the unseen creatures of the Philippine storyland If you have met a good storyteller he may have told you interesting legends about these creatures And you may have asked a lot of questions about them which he could not answer If you want to know more about these beings turn the pages of this book look at the pictures and enjoy what is said about them We call them creatures of midnight because it is said that they show themselves to people about the middle of the night

The Aswang Complex in Philippine Folklore Maximo D. Ramos, 1971-01-15 The Aswang Complex in Philippine Folklore With Illustrative Accounts in Vernacular Texts and Translations This book is a bold attempt to present to the reader and to students of Filipino society and

culture one of the dominant Filipino beliefs the aswang For some strange reason the belief has never been explored for its usefulness in the field of literature or social studies Even educators shy away from it branding the belief as superstitious and therefore not to be perpetuated While this view is entertained however there is continued use in the schools including the nursery schools of Western tales like Hansel and Gretel Rapunzel Snow White and so forth dealing with witches dwarfs and other people of lower mythology It is sad to note that while we accept these stories as entertaining to our children we reject our own folktales about equivalent characters as superstitious and undesirable It is about time that we changed our perspective that we accepted our own literary heritage and used it if we are to make education meaningful to our children Maximo D Ramos has provided us with one way to achieve this Of course the present volume is only one of his many works on Philippine folklore While he presents the materials in this book as folklore these can also be regarded as ethnographic data in that they deal with one of the dominant aspects of Filipino folk culture The aswang belief may be viewed as socially functional in many communities Our own field notes on the subject matter indicate that aswang tales are used by many people as a medium of social control For example when a child frets at night or becomes unruly during the day adult members of the family or sibling caretakers generally use the aswang belief as a means of quieting the child or of disciplining him When one wishes to protect his fields from unnecessary trespass by others all he has to do is make it known that an aswang haunts the place and no one will dare enter the premises especially at night Deviant behavior is also handled through avoidance and the aswang label is handy for this purpose Once the label is set deviants are either coerced into conformity to what is acceptable behavior or are effectively deprived of their legitimate status in the community Thus seen it is understandable that the aswang belief has persisted in our society over such a long period of time

Tales of Long Ago in the Philippines Maximo D. Ramos,1990 *The Myth and Mystery of UFOs* Thomas E. Bullard,2016-10-17 When United Airlines workers reported a UFO at O Hare Airport in November 2006 it was met with the typical denials and hush up that usually accompany such sightings But when a related story broke the record for hits at the Chicago Tribune s website it was clear that such unexplained objects continued to occupy the minds of fascinated readers Why wonders Thomas Bullard don t such persistent sightings command more urgent attention from scientists scholars and mainstream journalists The answer in part lies in Bullard s wide ranging magisterial survey of the mysterious frustrating and ever evolving phenomenon that refuses to go away and our collective efforts to understand it In his trailblazing book Bullard views those efforts through the lens of mythmaking discovering what UFO accounts tell us about ourselves our beliefs and the possibility of visitors from beyond Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien and how it views relentless official denial as a part of conspiracy to hide the truth He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make

sense of such phenomena and our place in the cosmos Bullard's book takes in the whole spectrum of speculations on alien visitations and abductions magically advanced technologies governmental conspiracies varieties of religious salvation apocalyptic fears and other paranormal experiences Along the way Bullard investigates how UFOs have inspired books movies and television series blurred the boundaries between science science fiction and religion and crowded the Internet with websites and discussion groups From the patches of this crazy quilt he posits evidence that a genuine phenomenon seems to exist outside the myth Enormously erudite and endlessly engaging Bullard's study is a sky watcher's guide to the studies stories and debates that this elusive subject has inspired It shows that despite all the competing interests and errors clouding the subject there is substance beneath the clutter a genuinely mysterious phenomenon that deserves attention as more than a myth

Oral Traditions of Southeast Asia and Oceania Herman C. Kemp, 2004

Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane, 2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world

Yeah, reviewing a book **Creatures Of Philippine Lower Mythology By Maximo D Ramos** could be credited with your close links listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have astonishing points.

Comprehending as well as understanding even more than additional will find the money for each success. neighboring to, the declaration as with ease as sharpness of this **Creatures Of Philippine Lower Mythology By Maximo D Ramos** can be taken as capably as picked to act.
