Doctorial Thesis Care of The University of Georgia *moment in time* Chris Brown, 2007-11-10 ART BOOK **Journal of**
the Society for Psychical Research Society for Psychical Research (Great Britain), 1957 **The Church in an Age of**
Danger Donald A. Spaeth, 2000-12-21 This book explores popular support for the Church of England during a critical period
from the Stuart Restoration to the mid eighteenth century when Churchmen perceived themselves to be under attack from all
sides In many provincial parishes the clergy also found themselves in dispute with their congregations These incidents of
dispute are the focus of a series of detailed case studies drawn from the diocese of Salisbury which help to bring the religion
of the ordinary people to life while placing local tensions in their broader national context The period 1660 1740 provides
important clues to the long term decline in the popularity of the Church Paradoxically conflicts revealed not anticlericalism
but a widely shared social consensus supporting the Anglican liturgy and clergy the early eighteenth century witnessed a
revival Nevertheless a defensive clergy turned inwards and proved too inflexible to respond to lay wishes for fuller
participation in worship *Police and the Liberal State* Markus Dirk Dubber, Mariana Valverde, 2008 Advances a broad
interdisciplinary and international project to refocus attention on the scope and function of modern government through the
lens of police power Vital Records of Nantucket, Massachusetts Nantucket (Mass.), 1925 Alphabetic indexes to the
manuscript records of the town supplemented by information from church registers cemetery inscriptions and other sources
Religion, Law and Society Russell Sandberg, 2014-05-08 Issues concerning religion in the public sphere are rarely far
from the headlines As a result scholars have paid increasing attention to religion These scholars however have generally
stayed within the confines of their own respective disciplines To date there has been little contact between lawyers and
sociologists Religion Law and Society explores whether how and why law and religion should interact with the sociology of
religion It examines sociological and legal materials concerning religion in order to find out what lawyers and sociologists
can learn from each other A groundbreaking provocative and thought provoking book it is essential reading for lawyers

sociologists and all who are interested in the relationship between religion law and society in the twenty first century
