John A. Humphrey, Frank Schmalleger

Criminal Law Today An Introduction With Capstone Cases 3rd Edi:

Criminal Investigation James W. Osterburg, Richard H. Ward, 2013-04-29 This text presents the fundamentals of criminal investigation and provides a sound method for reconstructing a past event i e a crime based on three major sources of information people records and physical evidence Its tried and true system for conducting an investigation is updated with the latest techniques available teaching the reader new ways of obtaining information from people including mining the social media outlets now used by a broad spectrum of the public how to navigate the labyrinth of records and files currently available online and fresh ways of gathering identifying and analyzing physical evidence **Crime and Deviance in**

Cyberspace David S. Wall, 2017-07-05 This volume presents the reader with an interesting and at times provocative selection of contemporary thinking about cybercrimes and their regulation The contributions cover the years 2002 2007 during which period internet service delivery speeds increased a thousand fold from 56kb to 56mb per second When combined with advances in networked technology these faster internet speeds not only made new digital environments more easily accessible but they also helped give birth to a completely new generation of purely internet related cybercrimes ranging from spamming phishing and other automated frauds to automated crimes against the integrity of the systems and their content In order to understand these developments the volume introduces new cybercrime viewpoints and issues but also a critical edge supported by some of the new research that is beginning to challenge and surpass the hitherto journalistically driven news stories that were once the sole source of information about cybercrimes **Race, Law, and American Society** Gloria J.

Browne-Marshall, 2007 Despite the obstacles to equality under law black Americans have set a determined path to make the words of the Preamble of the Declaration of Independence a reality for themselves and others This book is an introduction to race and law in America It is designed as a tool to the understanding of the role of race in American society through the prism of legal cases brought by and against blacks The analysis will include American colonial laws landmark Supreme Court cases of the 19th and 20th centuries as well as relevant recent decisions In examining these cases the reader will discern the great impact civil rights cases have had on American society as well as the effect our society has had on the legal system It will provide the reader with a foundation for present day discourse involving pressing issues of race in American society

Under a Watchful Eye William P. Bloss, 2009-06-08 Throwing light on a timely and controversial subject this volume considers the privacy rights of alleged criminals convicted criminals crime victims and justice personnel and the violation of those rights in light of post 9 11 privacy policy changes This revealing book answers many crucial questions What legal surveillance search and seizure authority do criminal justice officials have when investigating crimes monitoring criminals or regulating justice personnel What factors have contributed to changing guidelines and practices What protections do persons have when they interact with the criminal justice system What are the privacy implications of surveillance and search practices in public places such as schools workplaces or public areas What methods and technologies are used in surveillance

search or seizure How do we balance individual privacy rights against public safety Using real life stories Under a Watchful Eye Privacy Rights and Criminal Justice reveals the threats to personal privacy when individuals come under investigation whether warranted or not Covering privacy of the home workplace computer personal records and communications and other areas of personal concern this book is an important reminder that when it comes to invasion of privacy we are all vulnerable

The Ultimate Book of Gunfighting Robert K. Campbell, 2016-07-05 Know how to win in a gunfight and protect yourself and your family Many handgunners are content in their ability to fire accurately and produce small groups on paper The realities of gunfighting are far different Robert K Campbell examines every aspect of gunfighting stressing the ability to defend yourself safely He covers the basics of marksmanship and how to avoid bad habits as shooters develop their skill Campbell also provides a thorough discussion of types of handguns and choosing which personal firearm to purchase He reviews the differences between round and square guns service handguns and compact carry guns Other accessories are also reviewed including holsters belts vests and ammunition everything you need for the concealed carry lifestyle Other key topics include Close quarters combat Presentation from the holster Firing when moving Cover and concealment Hostage rescue and firing in crowds And much more Once well versed in the gunfighter s basics Campbell offers such further tips for students as clearing malfunctions the army way and executing speed loads and finding a good place to shoot The Ultimate Book of Gunfighting is the perfect resource for handgunners looking for technique discipline and recommendations for service grade equipment Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
