Criminology And Public Policy Putting Theory To Work:

Criminology and Public Policy Hugh Barlow, Scott H. Decker, 2010-01-25 Examines the links between criminological theory and criminal justice policy and practice *Crime And Public Policy* Hugh D Barlow, 1995-11-09 In this timely book of original essays some of criminology's most respected scholars assess the policy implications of recent theories of crime The central question posed by the book is Where does contemporary criminological theory lead open minded policymakers who are seeking to construct effective new strategies for dealing with crime Evaluating their own and others work the contributors present specific policy recommendations based on their analyses After reading these essays students of crime will discover they can now suggest answers to another question often posed in the classroom How can theory help us solve the crime problem Although the book focuses on the policy implications of theories that have a broad scope or that integrate different perspectives it concludes with chapters that contemplate theory and policy as applied to specific areas of criminal activity The authors have written exciting and challenging essays that will interest criminologists and criminal justice practitioners as well as experts in public administration and policy analysis In the classroom the book will be useful in upper level and graduate courses in criminology criminal justice and policy analysis *The Handbook of Criminological Theory* Alex R. Piquero, 2015-08-25 An indispensable resource for all levels this handbook provides up to date in depth summaries of the most important theories in criminology Provides original cutting edge and in depth summaries of the most important theories in criminology Covers the origins and assumptions behind each theory explores current debates and research points out knowledge gaps and offers directions for future research Encompasses theory research policy and practice with recommendations for further reading at the end of each essay Features discussions of broad issues and topics related to the field such as the correlates of crime testing theory policy and prediction Clearly and accessibly written by leading scholars in the field as well as up and coming scholars *The Handbook of Gangs* Scott H. Decker, David C. Pyrooz, 2015-07-21 Pulling together the most salient current issues in the field today The Handbook of Gangs provides a significant assessment by leading scholars of key topics related to gangs gang members and responses to gangs Chapters cover a wide array of the most prominent issues in the field of gangs written by scholars who have been leaders in developing new ways of thinking about the topics Delivers cutting edge reviews of the current state of research and practice and addresses where the field has been where it is today and where it should go in the future Includes extensive coverage of the individual theories of delinquency and provides special emphasis on policy and prevention program implications in the study of gangs Offers a broad understanding of how other countries deal with gangs and their response to gangs including Great Britain Latin America Australia and Europe Chapters covering the legacies of four pioneers in gang research Malcolm W Klein Walter B Miller James F Short Jr and Irving A Spergel *Handbook on Crime and Deviance* Marvin D. Krohn, Nicole Hendrix, Gina Penly Hall, Alan J. Lizotte, 2019-08-28 This 2nd edition of the Handbook provides an interdisciplinary coverage of new

understandings of the most important developments in the sociology of crime and deviance that is current and emerging for research methodology practice and theory in criminology It fosters research to take the fields of criminology and criminal justice in new directions Unlike any other handbook it includes chapters on cutting edge quantitative data and analytical techniques that are shaping the future of empirical research and expanding theoretical explanations of crime and deviance It further devotes a section to the most current and innovative methodological issues Chapters are updated providing an inclusive discussion of the current research and the theoretical and empirical future of crime and deviance This handbook is of great interest for advanced undergraduates graduates students researchers and scholars in criminology criminal justice sociology and related fields such as social welfare economics and psychology

Regulation, Crime and Freedom John Braithwaite, 2020-09-10 This title was first published in 2000 John Braithwaite is a distinguished criminologist with an international reputation in the study of regulation and globalization This collection contains his most important and influential essays in criminal justice and business regulation It has a substantial introduction explaining the thematization of his work around the design of regulatory systems to maximize freedoms as non domination

White-Collar Crime and Fraud Investigation Petter Gottschalk, 2021-11-18 This book applies a structural model of convenience theory to suspected crime and a maturity model to investigation reports Evidence of white collar convenience themes in each case study is derived from internal investigation reports by fraud examiners The study of white collar offenders has received increased attention in recent years This book contributes to our understanding of financial crime by privileged individuals in professional settings by identifying convenience themes for offenders Based on the theory of convenience the work presents a number of case studies to identify convenience in financial motive organizational opportunity and willingness for deviant behavior Case studies presented are from Austria Asia Congo Denmark Germany Norway Sweden and the United States The book will be of interest to researchers and academics in Law Criminology Business and Sociology It will also provide a valuable resource for fraud examiners defense attorneys police investigators and prosecutors

The Oxford Handbook of Criminological Theory Francis T. Cullen, Pamela Wilcox, 2015-12 This handbook presents a series of essays that captures not the past of criminology but where theoretical explanation is headed The volume is replete with ideas discussions of substantive topics with salient theoretical implications and reviews of literatures that illuminate avenues along which theory and research evolve

Out-of-Control Criminal Justice Daniel P. Mears, 2017-09-28 Out of Control Criminal Justice shows that our system of criminal justice is broken it is out of control The author writes that a research based strategy is needed that builds on the insights of those who work within criminal justice or are affected by it Such a strategy must entail continuous evaluation and improvement so that what works can be expanded and what does not can be eliminated Out of Control Criminal Justice identifies how systems problems plague our criminal justice systems It then presents a comprehensive strategy for bringing these systems under control to reduce crime to increase justice and accountability and

to do so at less cost The strategy can be used too to create greater responsiveness to victims and communities effectiveness in reducing racial and ethnic disparities and understanding of the causes and consequences of crime After describing this new approach the book identifies the tools needed to implement a systems solution to create a safer and more just society

Case Studies of Executive Deviance Petter Gottschalk, 2020-09-25 This insightful book illustrates thirteen case studies demonstrating the convenience theory of white collar crime Offering an integrated deductive perspective through a convenience lens Petter Gottschalk provides crucial insights into the motives opportunities and behaviors behind executive deviance
