Juvenile Risk and Needs Assessment Christopher J. Sullivan, Kristina K. Childs, 2021-09-14 This book takes a comprehensive analytic approach

to understanding Juvenile Risk and Needs Assessment JRNA covering elements relevant to how the practice affects youths cases and the juvenile justice system The work draws on both analysis of the extensive research on risk and needs assessment in the juvenile justice system as well as data from the authors recent work in the area Authors Sullivan and Childs have extensive experience in teaching about and doing research on the juvenile justice system including multiple studies on juvenile risk and needs assessment tools and their implementation This expansive integrative book leaves readers with a realistic sense of where things stand on the theory research policy and practice of JRNA By bringing together existing ideas and assessing them in depth it identifies possible future paths and sparks ideas for improving the juvenile justice response to delinquent and at risk youths Juvenile Risk and Needs Assessment is essential reading for scholars of juvenile justice system impact and reform as well as practitioners engaged in youth and juvenile justice work ranging from the preventive to the rehabilitative stages Handbook on Moving Corrections and Sentencing Forward Pamela K.

Lattimore,Beth M. Huebner,Faye S. Taxman,2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking **Youth, Crime, and Justice** Erika Gebo,Carolyn

Boyes-Watson,2017-09-28 This is a comprehensive introduction to youth crime and justice through a unique case study approach Taking a life course perspective the book examines the changing landscapes of childhood and the justice system with an intersectional focus
