Crisis At Central High Little Rock 1957 58:

Crisis at Central High, Little Rock, 1957-58 Elizabeth Huckaby, 1980-01-01 Little Rock Central High School, National Historic Site (N.H.S.), 2002 Historic Pulaski County Paulette H. Walter, Alan C. Paulson, 1999 In 1818 long before the state of Arkansas came into existence when the land that would become Arkansas was still part of the Missouri Territory Pulaski County was created by the Missouri legislature It was named in honor of Polish nobleman Count Casimir Pulaski who joined the American Revolution in 1777 Featuring over two hundred images from various sources including the authors personal collection Historic Pulaski County covers the communities of Little Rock North Little Rock Levy and Jacksonville The authors provide a fascinating look at military life at Camp Pike and Camp Robinson From the 1840s to the 1990s the county's past is illustrated by scenes of local people places and events that helped shape the last two centuries

Readings in Arkansas Politics and Government Kim U. Hoffman, Janine A. Parry, Catherine Reese, 2020-03-06 This second edition of the authoritative *Readings in Arkansas Politics and Government* brings together in one volume some of the best available scholarly research on a wide range of issues of interest to students of Arkansas politics and government The twenty-one chapters are arranged in three sections covering both historical and contemporary issues ranging from the state's socioeconomic and political context to the workings of its policymaking institutions and key policy concerns in the modern political landscape Topics covered include racial tension and integration social values political corruption public education obstacles facing the state's effort to reform welfare and others Ideal for use in introductory and advanced undergraduate courses the book will also appeal to lawmakers public administrators journalists and others interested in how politics and government work in Arkansas

Lost Revolutions Pete Daniel, 2000-11-15 This sweeping work of cultural history explores a time of startling turbulence and change in the South years that have often been dismissed as placid and dull In the wake of World War II southerners anticipated a peaceful and prosperous future but as Pete Daniel demonstrates the road into the 1950s took some unexpected turns Daniel chronicles the myriad forces that turned the world southerners had known upside down in the postwar period In chapters that explore such subjects as the civil rights movement segregation and school integration the breakdown of traditional agriculture and the ensuing rural urban migration gay and lesbian life and the emergence of rock n roll music and stock car racing as well as the triumph of working class culture he reveals that the 1950s South was a place with the potential for revolutionary change In the end however the chance for significant transformation was squandered Daniel argues One can only imagine how different southern history might have been if politicians the press the clergy and local leaders had supported democratic reforms that bestowed full citizenship on African Americans and how little would have been accomplished if a handful of blacks and whites had not taken risks to bring about the changes that did come

A Documentary History of Arkansas C. Fred Williams, S. Charles Bolton, Carl H. Moneyhon, LeRoy T. Williams, 2013-07-01 *A Documentary History of Arkansas* Second edition provides a comprehensive look at Arkansas history

from the state's earliest events to the present. Here are newspaper articles, government bulletins, legislative acts, broadsides, letters, and speeches that give a firsthand glimpse at how the twenty-fifth state's history was made. The book is divided into five chronological sections that cover the state's political, social, economic, educational, and environmental history. Each section begins with an original essay that provides an overview of the period and introduces the documents. Brought up to date and enhanced with additional material, this edition of *A Documentary History of Arkansas* will continue to be the standard source for essential primary documents illustrating the state's history from back cover.

Little Rock Karen Anderson, 2013-11-10
A political history of the most famous desegregation crisis in America. The desegregation crisis in Little Rock is a landmark of American history. On September 4, 1957, after the Supreme Court struck down racial segregation in public schools, Arkansas Governor Orval Faubus called up the National Guard to surround Little Rock Central High School, preventing black students from going in. On September 25, 1957, nine black students, escorted by federal troops, gained entrance. With grace and depth, *Little Rock* provides fresh perspectives on the individuals, especially the activists and policymakers, involved in these dramatic events. Looking at a wide variety of evidence and sources, Karen Anderson examines American racial politics in relation to changes in youth culture, sexuality, gender relations, and economics, and she locates the conflicts of Little Rock within the larger political and historical context. Anderson considers how white groups at the time, including middle-class women and the working class, shaped American race and class relations. She documents white women's political mobilizations and exploring political resentments, sexual fears, and religious affiliations, illuminates the reasons behind segregationists' missteps and blunders. Anderson explains how the business elite in Little Rock retained power in the face of opposition and identifies the moral failures of business leaders and moderates who sought the appearance of federal compliance rather than actual racial justice, leaving behind a legacy of white flight, poor urban schools, and institutional racism. Probing the conflicts of school desegregation in the mid-century South, *Little Rock* casts new light on connections between social inequality and the culture wars of modern America. The Historical Report of the Arkansas Secretary of State 2008 Charlie Daniels, 2009-07-01
Arkansas Secretary of State Charlie Daniels is proud to present the 2008 edition of the Arkansas Historical Report. Published just once each decade by order of the General Assembly, this ready reference is a unique compendium of appointed and elected officials over the state's colonial and territorial periods as well as its 172-year history. Its comprehensive listings of county, state, and federal officials make it a must-have for historians, journalists, genealogists, and other researchers. The 2008 edition also features essays by C. Fred Williams, Jay Barth, David Ware, Ann Early, and George Sabo III that provide insight into the state's history, politics, and Native American cultures. This new edition of the Historical Report includes for the first time an alphabetical index of state legislators. It also features a variety of historical photographs and has been substantially redesigned to create a more user-friendly reference tool.

Nothing but Love in God's Water Robert Darden, 2014-10-21
The first of two volumes chronicling

the history and role of music in the African American experience *Nothing but Love in God's Water* explores how songs and singers helped African Americans challenge and overcome slavery subjugation and suppression From the spirituals of southern fields and the ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham sacred song has stood center stage in the African American drama Myriad interviews one of a kind sources and rare or lost recordings are used to examine this enormously persuasive facet of the movement *Nothing but Love in God's Water* explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet Media And Revolution

Jeremy D. Popkin, 2021-10-21 As television screens across America showed Chinese students blocking government tanks in Tiananmen Square the fall of the Berlin Wall and missiles searching their targets in Baghdad the connection between media and revolution seemed more significant than ever In this book thirteen prominent scholars examine the role of the communication media in revolutionary crises from the Puritan Revolution of the 1640s to the upheaval in the former Czechoslovakia Their central question Do the media in fact have a real influence on the unfolding of revolutionary crises On this question the contributors diverge some arguing that the press does not bring about revolution but is part of the revolutionary process others downplaying the role of the media Essays focus on areas as diverse as pamphlet literature newspapers political cartoons and the modern electronic media The authors wide ranging views form a balanced and perceptive examination of the impact of the media on the making of history
