With *Caught in the Act: Actors Acting*, his 20th book, acclaimed photographer Howard Schatz explores the magical transformation that happens when an actor takes hold of words on a page and becomes another person. Schatz demonstrates his mastery as a director, leading 85 actors to explore an enormous range of scenarios in one-on-one improvisation, capturing the dynamic energy of the actors in full creative flight. In addition, Schatz made powerful and compelling portraits of each actor along with an extensive interview, focusing on the creative process. Schatz gives us a unique window into the world of stage and screen.
