Confederate Colonels A Biographical Register Shades Of Blue And Gray:

Confederate Colonels Bruce S. Allardice, 2008 Allardice provides detailed biographical information on 1 583 Confederate colonels both staff and line officers and members of all armies In his introduction he explains how one became a colonel the mustering process election of officers reorganizing of regiments and discusses problems of the nominating process seniority and rank inflation Provided by publisher **Cedar Mountain to Antietam** M. Chris Bryan, 2022-01-04 This history of the Union XII Corps skillfully weaves firsthand accounts into a compelling story about the triumphs and defeats of this venerable unit Bradley M Gottfried author of *The Maps of Antietam* The diminutive Union XII Corps found significant success on the field at Antietam Its soldiers swept through the East Woods and the Miller Cornfield permanently clearing both of Confederates repelled multiple Southern assaults against the Dunker Church plateau and eventually secured a foothold in the West Woods This important piece of high ground had been the Union objective all morning and its occupation threatened the center and rear of Gen Robert E Lee s embattled Army of Northern Virginia Yet federal leadership largely ignored this signal achievement and the opportunity it presented The achievement of the XII Corps is especially notable given its string of disappointments and hardships in the months leading up to Antietam M Chris Bryan s *Cedar Mountain to Antietam* begins with the formation of this often luckless command as the II Corps in Maj Gen John Pope s Army of Virginia on June 26 1862 Bryan explains in meticulous detail how the corps endured a bloody and demoralizing loss after coming within a whisker of defeating Maj Gen Stonewall Jackson at Cedar Mountain on August 9 suffered through the hardships of Pope s campaign before and after the Battle of Second Manassas and triumphed after entering Maryland and joining the reorganized Army of the Potomac The men of this small corps earned a solid reputation in the Army of the Potomac at Antietam that would only grow during the battles of 1863 This unique study which blends unit history with sound leadership and character assessments puts the XII Corps actions in proper context by providing significant and substantive treatment to its Confederate opponents Bryan s extensive archival research newspapers and other important resources together with detailed maps and images offers a compelling story of a little studied yet consequential command that fills a longstanding historiographical gap *The Blue and the Gray* J. P. Austin, 1899 Memoir of a confederate veteran who served from the Rio Grande to the Atlantic and from the Gulf to Virginia s southern line The author began his service in Texas and recounts the scene there of sucession He subsequently saw action at Shiloh Vicksburg and Chattanooga He also gives an account of Reconstruction Fought under Bragg and with Captain John H Morgan *Captains of the Civil War* William Wood, 1921

Captains of the Civil War - a Chronicle of the Blue and the Gray William Wood, 2022-11-25 Reproduction of the original **A Boy in Blue 1862~1865 (Expanded, Annotated)** Henry Murray Calvert, 2016-11-21 Henry Calvert s warmly funny and heartbreaking memoir of his time in the American Civil War is sometimes a typical soldier story but more often a highly entertaining tale He interwove his experiences in the army with his pursuit of the love of his life who was already

promised to another soldier He and his best friend enlisted in Scott's 900 Regiment of Cavalry For a time they were bodyguards to Abraham Lincoln and Calvert's stories of that time is here as well His heart broken he nevertheless accepts his love's request to find her betrothed and present him with her locket He finally found his rival after the war explained his mission and got an unexpected surprise Along the way he fought a war and commanded other soldiers Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers tablets and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample

Deeds of Daring by Both Blue and Gray D. M.

Kelsey, 1884

Wearing of the Gray John Esten Cooke, 1867

Blue-Eyed Child of Fortune Robert Gould

Shaw, 2011-08-15 On the Boston Common stands one of the great Civil War memorials a magnificent bronze sculpture by Augustus Saint Gaudens It depicts the black soldiers of the Fifty fourth Massachusetts Infantry marching alongside their young white commander Colonel Robert Gould Shaw When the philosopher William James dedicated the memorial in May 1897 he stirred the assembled crowd with these words There they march warm blooded champions of a better day for man There on horseback among them in the very habit as he lived sits the blue eyed child of fortune In this book Shaw speaks for himself with equal eloquence through nearly two hundred letters he wrote to his family and friends during the Civil War The portrait that emerges is of a man more divided and complex though no less heroic than the Shaw depicted in the celebrated film Glory The pampered son of wealthy Boston abolitionists Shaw was no abolitionist himself but he was among the first patriots to respond to Lincoln's call for troops after the attack on Fort Sumter After Cedar Mountain and Antietam Shaw knew the carnage of war firsthand Describing nightfall on the Antietam battlefield he wrote the crickets chirped and the frogs croaked just as if nothing unusual had happened all day long and presently the stars came out bright and we lay down among the dead and slept soundly until daylight There were twenty dead bodies within a rod of me When Federal war aims shifted from an emphasis on restoring the Union to the higher goal of emancipation for four million slaves Shaw's mother pressured her son into accepting the command of the North's vanguard black regiment the Fifty fourth Massachusetts A paternalist who never fully reconciled his own prejudices about black inferiority Shaw assumed the command with great reluctance Yet as he trained his recruits in Readville Massachusetts during the early months of 1863 he came to respect their pluck and dedication There is not the least doubt he wrote his mother that we shall leave the state with as good a regiment as any that has marched Despite such expressions of confidence Shaw in fact continued to worry about how well his troops would perform under fire The ultimate test came in South Carolina in July 1863 when the Fifty fourth led a brave but ill fated charge on Fort Wagner at the approach to Charleston Harbor As Shaw waved his sword and urged his men forward an enemy bullet felled him on the fort's parapet A few hours later the Confederates dumped his body into a mass grave with the bodies of twenty of his men Although the assault was a failure from a military standpoint it proved the proposition to which

Shaw had reluctantly dedicated himself when he took command of the Fifty fourth that black soldiers could indeed be fighting men By year s end sixty new black regiments were being organized A previous selection of Shaw s correspondence was privately published by his family in 1864 For this volume Russell Duncan has restored many passages omitted from the earlier edition and has provided detailed explanatory notes to the letters In addition he has written a lengthy biographical essay that places the young colonel and his regiment in historical context *Deeds of Daring by Both Blue and Gray* D. M. Kelsey, 1893
