Countering Terrorism in Britain and France Frank Foley,2013-03-14 Though Britain and France have faced a similar threat from Islamist terrorism in the years following September 11 2001 they have often responded in different ways to the challenges it posed This groundbreaking work offers the first in depth comparative analysis of counterterrorist policies and operations in these two leading liberal democracies Challenging the widely held view that the nature of a state s counterterrorist policies depends on the threat it is facing Foley suggests that such an argument fails to explain why France has mounted more invasive police and intelligence operations against Islamist terrorism than Britain and created a more draconian anti terrorist legal regime Drawing on institutional and constructivist theories he develops a novel theoretical framework that puts counterterrorism in its organisational institutional and broader societal context With particular appeal to students and specialists of International Relations and Security Studies this book will engage readers in the central debates surrounding anti terrorist policy

FBI Intelligence Reform ,2007 In the aftermath of September 11 2001 the Federal Bureau of Investigation FBI embarked on a program to reform its intelligence and national security programs Many experts agree the FBI has made progress in some areas dissemination of raw intelligence but some believe that the FBI has shown little progress in other areas establishing an integrated and proactive intelligence program while the FBI s budget increased by 68 per cent from 2001 2005 The Weapons of Mass

Destruction Commission has recommended and the White House has approved the establishment of a National Security Service within the FBI This Service would integrate the FBI s Counterterrorism and Counterintelligence Division with the FBI s Directorate of Intelligence DI Whether this organisational change will yield substantive results is an open question This book analyses the FBI s overall intelligence reform effort focusing on the implementation of intelligence reform initiatives in the field Internal Security Services in Liberalizing States Joseph L. Derdzinski,2009 Among the states that have moved from authoritarianism in the past 15 years most have not moved beyond the mere procedures of democracy This excellent scholarly resource provides a comparative account of the internal security situations of Morocco and Indonesia and focuses on democracy and its non democratic institutions in an era of stalled liberalization Building Terrorism Resistant Communities S. Ekici,A. Ekici,D.A. McEntire,2009-08-12 Intends to explore methods to involve the community in the fight against terrorism in an effort to enhance its protection from terrorist attacks and to establish a network between the participants for future collaborations This guide can help policy makers gain an understanding of how counter terrorism requires community support and involvement Intelligence Cooperation Practices in the 21st Century Musa Tuzuner,2010 Published in cooperation with NATO Public Diplomacy Division
