Crêpes 2021 Collane LV, 2021-05-19 Do you want to know recipes to make your crêpes special and versatile Your Customers Will Never Stop To Use This Amazing book I went to cooking school in Paris but it wasn't from my toque clad teachers that I learned to make crêpes It was from my junior high school friend when we lived in Arlington Virginia We would restore ourselves after a long day of being fourteen year old girls by making crêpes filled with cheddar cheese as an after school snack I'm sure those crêpes were short on finesse but I still remember how satisfying it was to turn and tilt the pan watch the liquid batter travel across its surface until no more pan was visible and then wait until the steam rising from the crêpe slowed down the signal that it was time to flip it A few seconds of cooking on the second side a shower of grated cheese a flick of the spatula to fold the crêpe in half and we had an awesome snack ready to eat in all its gooey cheesy goodness While our peers were enjoying Cheetos we were eating crêpes We felt special because crêpes were special Even though they're related to the homey pancake crêpes have an allure that I think is about more than the way they taste Depending on what your first crêpe experience was they can feel elegant exotic nostalgic sophisticated indulgent or comforting As you'll see when you look at the recipe list in this book crêpes fit the bill for almost every eating occasion breakfast brunch a quick afternoon treat an hors d'oeuvre to serve with a glass of sparkling crémant de Loire a plated hors d'oeuvre for a fancy dinner a main course for a family or fancy dinner and desserts galore If you tried you could work crêpes into the soup and salad courses too a chiffonade of crêpes in consommé is a famous soup but for the purposes of this book we're not ranging that far In other words crêpes are versatile And the place where versatile special and easy intersect is the place every smart cook wants to be Buy it NOW and let your customers get addicted to this amazing book
