Crescent and Iron Cross (Esprios Classics) E. F. Benson,2023-05-22 Edward Frederic Benson 24 July 1867 29 February 1940 was an English novelist biographer memoirist archaeologist and short story writer Benson s first book published was *Sketches From Marlborough* He started his novel writing career with the then fashionably controversial *Dodo* 1893 which was an instant success and followed it with a variety of satire and romantic and supernatural melodrama He repeated the success of *Dodo* which featured a scathing description of composer and militant suffragette Ethel Smyth which she gleefully acknowledged according to actress Prunella Scales with the same cast of characters a generation later *Dodo* the Second 1914 a unique chronicle of the pre 1914 Bright Young Things and *Dodo Wonders* 1921 a first hand social history of the Great War in Mayfair and the Shires *Crescent and Iron Cross* E. F. Benson,2015-04-23 *Crescent and Iron Cross* by E F Benson

Crescent and Iron Cross E. F. Benson,2018-10-16 *Crescent and Iron Cross* By E F Benson When the Young Turks came into power they proclaimed that they were going to weld the Ottoman Empire into one homogeneous and harmonious whole But by a piece of brilliant paradoxical resasoning says Mr Benson German determined that it was she who was going to do it for them *British Representations of the Armenian Genocide, 1915-23* Peter Morgan,2025-02-11 This book examines how British politicians national and local newspapers writers and commentators discussed the mass killing and deportation of Armenians during the period 1915 1923 Seeking to fill a historiographical gap in the field of modern genocide studies this volume shows the extent to which the British public sphere understood the concept of genocide before the Holocaust and before the word itself was invented It demonstrates the centrality of the British discourse on the Armenian massacres and deportations as they were happening during the First World War and how it came to be as important as that on German excesses in Belgium This book reveals for the first time how the news was widely circulated in the provincial press and not just in contemporary major titles and how it found its way into everyday conversation and the subject of an adventure novel In analysing how the violence was viewed as an orientalist projection onto the Turkish Other this volume makes an important contribution to the literature on the more troubling side of the British Self and imperial colonialism This volume will be of interest to undergraduates studying First World War Britain as well as researchers investigating the development of modern genocide and how it was discussed and conceptualised *Bulletin of the Carnegie Library of San Antonio, Texas* Carnegie Library (San Antonio, Tex.),1912 **OLR Index** ,1916 **Newton Free Library Bulletin** Newton Free Library,1917

Crescent and Iron Cross E. F. Benson,2016-01-19 *Crescent and Iron Cross* Chapter I THE THEORY OF THE OLD TURKS The maker of phrases plies a dangerous trade Very often his phrase is applicable for the moment and for the situation in view of which he coined it but his coin has only a temporary validity it is good for a month or for a year or for whatever period during which the crisis lasts and after that it lapses again into a mere token a thing without value and without meaning But

the phrase cannot as in the case of a monetary coinage at once be recalled for it has gone broadcast over the land or at any rate it is not recalled and it goes on being passed from hand to hand its image and superscription defaced by wear long after it has ceased to represent anything In itself it is obsolete but people still trade with it and think it represents what it represented when it came hot from the Mint And unfortunately it sometimes happens that it is worse than valueless it becomes a forgery which it may not have been when it came into circulation and deceives those who traffic with it flattering them with an unfounded possession Such a phrase which still holds currency was once coined by Lord Aberdeen in the period of the Crimean War Turkey is a sick man he said and added something which gave great offence then about the advisability of putting Turkey out of his misery I do not pretend to quote correctly but that was the gist of it Nor do I challenge the truth of Lord Aberdeen s phrase at the period when he made it It possibly contained a temporary truth a valid point of view which if it had been acted on might have saved a great deal of trouble afterwards but it missed then and more than misses now the essential and salient truth about Turkey **The Literary Year-book** Frederick George Aflalo, Joseph Jacobs, Herbert Arthur Morrah, Henry Gilbert, Basil Stewart, Mark Meredith, 1920
