Criminology A Canadian Perspective 7th Edition:

Sex Industry Slavery Robert Christmas, 2020-11-03 Sexual exploitation and human sex trafficking is a multi billion dollar international industry that preys on youth Written by veteran police officer Robert Christmas Sex Industry Slavery is an impactful read for anyone who wants to know more about this serious Canadian problem Many young women are coerced into oppressive relationships in the sex industry often starting in childhood There are numerous barriers and challenges for children who are vulnerable to exploitation as well as for survivors striving to leave the sex industry however there are also many opportunities to help them Based on Christmas s award winning research in Manitoba this book includes gut wrenching stories from survivors social workers police officers lawmakers and activists Representing decades of collective knowledge Sex Industry Slavery presents first hand perspectives on the problem and proposes practical solutions

Trauma-Informed Juvenile Justice in the United States Judah Oudshoorn, 2016-08-23 Most youth who come in conflict with the law have experienced some form of trauma yet many justice professionals are ill equipped to deal with the effects trauma has on youth and instead reinforce a system that further traumatizes young offenders while ignoring the needs of victims By taking a trauma informed perspective this text provides a much needed alternative one that allows for interventions based on principles of healing and restorative justice rather than on punishment and risk assessment In addition to providing a comprehensive historical overview of youth justice in Canada Judah Oudshoorn addresses the context of youth offending by examining both individual trauma including its emotional cognitive and behavioural effects and collective trauma The author tackles some of the most difficult problems facing youth justice today especially the ongoing cycles of intergenerational trauma caused by the colonization of Indigenous peoples and patriarchal violence and demonstrates how a trauma informed approach to youth justice can work toward preventing crime and healing offenders victims and communities Featuring a foreword written by Howard Zehr case stories from the author s own work with victims and offenders questions for reflection and annotated lists of recommended readings this engaging text is the perfect resource for college and university students in the field of youth justice

Canadian Books in Print. Author and Title Index , 1975 Power and Resistance, 7th ed. Jessica Antony, Wayne Antony, 2022-06-30T00:00:00Z Power and Resistance debunks the dominant neoliberal hyper individualist approach to society's problems that sees poverty as a result of laziness environmental crises as a result of market demands for products that pollute and Indigenous Peoples struggles as a result of not assimilating We argue that it is social inequality and oppression that are the underlying causes of social problems In a society like ours powerful groups make choices that benefit them and force those choices onto others creating life problems for others and society as a whole The powerful also have influence over what is and is not called a social problem Solving social problems requires changing the structures of inequality and oppression For example industrial corporate agriculture has created huge profits for a few gigantic food corporations but left much of the world hungry But farmers and their allies are pushing back through agroecology an agriculture based on local small scale ecologically sustainable farming that brings eaters and growers closer to one another The seventh edition of Power and Resistance includes new chapters on anti Black racism in schools Indigenous people and mental health food security and sovereignty and work in the gig economy
