Let The Music Play: How R&B Fell In Love With 80s Synths Steven Vass,2024-02-02 Let the Music Play is the overlooked story of how R B disco and funk were transformed by the explosion of music tech in the era of ghetto blasters and Ronald Reagan It traces how pioneers like Stevie Wonder and Herbie Hancock inspired a new generation of black musicians and producers to reinvent music with a whole new set of rules From superstars like Prince and Sade to production geniuses like Kashif and Jam Lewis it tells the fascinating stories of the artists involved and how they made some of the best loved records of the era creating a blueprint for music today **David and Jonathan** Doug Moody,2012 David And Jonathan is a meticulously researched dramatisation of the struggle of God s people against The Philistines by tragedian Doug Moody We are taken back in time to the court of King Saul in Israel and learn of the close bond of friendship held between David a humble shepherd s son and Saul s son Jonathan David slays the evil giant Goliath using a sling shot and goes on to cut down thousands of Philistine s the enemies of God s people David becomes a hero and out of jealousy King Saul decides to have him executed Saul has betrayed the Lord and must be punished This masterpiece brings history to life in an accurate and thought provoking manner *Jonathan's Loves, David's Laments* Dirk von der Horst,2017-03-24 Jonathan s Loves David s Laments uses early modern musical interpretations of David s Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference The Lutheran George Washington Sandt,1928 Solo Vocal Works on Jewish Themes Kenneth Jaffe,2011 Solo Vocal Works on Jewish Themes A Bibliography of Jewish Composers is a comprehensive and annotated compendium of stage concert and liturgical compositions written by Jewish composers from every known time period and country Kenneth Jaffe has amassed nearly 3 000 large scale musical works for solo voice s on Jewish themes written by Jewish composers The works include over 400 cantatas 150 oratorios almost 300 operas more than 100 sacred services 20 symphonies and more than 350 stage works including Yiddish theatre Purim and sacred plays multi media pieces and musical theatre In addition original song cycles and liturgical services arranged for a modest to large complement of instruments are also included The works are organized by composer and subdivided by genre and each entry is fully annotated detailing the title opus voicing and instrumentation text source commission year completed year and location of the premiere the year of publication and the publisher if any the

location of scores and the duration of the work The works are then broken down by theme such as Biblical themes works for children works of the Holocaust or Jewish suffering and persecution interfaith works and wedding music They are then cross referenced by voice type arrangement and by title A list of libraries and publishing houses of Jewish music rounds out this invaluable reference
