Clearfield Postcard History Pennsylvania:

Clearfield Julie Rae Rickard, 2002 Clearfield brings to life a time when carriages traveled the streets lumber floated down the river William Jennings Bryan visited Curwensville Houtzdale's Alley Popper railway was running and people enjoyed fine dining and dancing at the Dimeling Hotel Postcards once a convenient and easy way to communicate inadvertently became an important way of preserving history The cards of this exciting new collection bear witness to many moments in Clearfield history including World War I soldiers marching down Market Street the 1936 flood the collapse of the Nichols Street Bridge and the aftermath of the Opera House fire Around Curwensville Julie Rae Rickard, 2007 Curwensville one of the oldest towns in Clearfield County began as a lumber town Some of the area's finest families made their fortunes by harvesting the tall pine trees that were used as ship masts The Irvin and Patton families were instrumental in the development of the town as they brought the railroad to the area and contributed to the schools banks and a water system In the 20th century industries such as brick making stone quarries and tanneries became vital to the community Bringing to life an era when every settlement was a stop on the railroad route Around Curwensville is an exciting collection of historic photographs from Curwensville and surrounding towns including Clearfield Grampian and DuBois Pennsylvania's Historic Bridges Fred J. Moll, 2007 Pennsylvania A's Historic Bridges examines the development of different types of bridge structures across Pennsylvania through the world of postcards many of which are from the early 1900s The structures featured are constructed from various materials and in a multitude of styles Also found within these pages are several postcards of pedestrian bridges canal bridges trolley bridges railroad bridges and an aqueduct **Clearfield County** Julie Rae Rickard, 2003-11-12 Take a trip back in time to when Clearfield County's woods were occupied by lumbermen and log drives filled the West Branch of the Susquehanna Through historic photographs witness the growth of Clearfield Curwensville and Dubois despite terrible floods and fires marvel at the growth from a loose collection of logging towns into prosperous and successful Pennsylvania county well known for its coal quarries the Gearhart Knitting Machine and businesses such as Kurtz Brothers Clearfield Furs and Clearfield Cheese The engaging photographs in Clearfield County also document how Kylertown Airport was once one of the busiest in the country and reveal how a few county residents including Nora Waln Philip Bliss George Rosenkrans and Tom Mix found fame Western Pennsylvania's Oil Heritage Charles E. Williams, 2008 The discovery of oil flowing from a well in the wilds of northwestern Pennsylvania shook the modern world in 1859 Refined as kerosene for lamps a lubricant for home and industrial needs and ultimately as a fuel for transportation in the form of gasoline oil literally changed the world and defined global economics and politics Western Pennsylvanias Oil Heritage profiles the history of Pennsylvania oil from its discovery and development to its impact on the culture economy and environment of the oil region These vintage postcards provide a glimpse into the wide ranging history of western Pennsylvanias oil region from the cradle of the industry at Oil Creek to the immensely productive Bradford oil field and on to cities and towns like Oil City built largely by the black gold
