The Commercial Church Mary Hinton, 2011-05-19 In this new book on the rise of commercial black mega churches Mary Hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education She explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of American religion Two mega church ministries those of T D Jakes and Creflo Dollar are examined in detail with regards to how they align with black church religious history Hinton concludes by proposing that the fastest growing religious phenomenon within and outside of the black community in the United States the mega church should no longer be analyzed based on size alone Instead Hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church

For the Souls of Black Folks Cari Jackson, 2013-05-21 *For the Souls of Black Folks* examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U S blacks The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers *For the Souls of Black Folks* builds upon the work of sociologist W E B Du Bois who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression The book explores the ways in which that double consciousness often reflected in black preaching socializes black Christians to subjugate their own moral authority to that of black preachers The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in

developing and exercising their own power and authority as social agents and thus significantly impedes the full sociopolitical liberation of all blacks The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty first century **The Object Parade** Dinah Lenney,2015-04-14 This new collection of interconnected essays marches to a provocative premise what if one way to understand your life was to examine the objects within it Which objects would you choose What memories do they hold And lined up in a row what stories do they have to tell In recalling her experience Dinah s essays each begin with one thing real or imaginary lost or found rare or ordinary animal vegetable mineral edible Each object comes with a memory or a story and so sparks an opportunity for rue or reflection or confession or revelation having to do with her coming of age as a daughter mother actor and writer the piano that holds secrets to family history and inheritance the gifted watches that tell so much more than time the little black dress that carries all of youth s love and longing the purple scarf that stands in for her journey from New York to Los Angeles across stage and screen to pursue her acting dream Read together or apart the essays project the bountiful mosaic of life and love of moving to Los Angeles and raising a family of coming to terms with place relationship failures and success of dealing with up ended notions about home and family and career and aging too Taken together they add up to a pastiche of an artful and quirky life lovingly remembered compellingly told wrapped up in the ties that bind the passage of time *A Lady of Integrity: A steampunk adventure novel featuring smart, brave women inventors* Shelley Adina,2019-12-21 Will a daring rescue put a wedding and a future at risk Lady Claire Trevelyan and renowned scientist Andrew Malvern are looking forward to domestic felicity in London until a desperate and fugitive Alice Chalmers turns up seeking help Her ship has been seized in the Duchy of Venice and worse her navigator Jake has been thrown into the dreaded underwater prison from which no one ever escapes Even the innocent Lady Claire is about to embark on her career in Munich at the Zeppelin Airship Works The Mopsies are beginning their final year at school Andrew Malvern begins to despair of his fianc e ever choosing a wedding gown But when help is denied from official quarters the close bonds of friendship and shared adventure demand that they set sail in the airship Athena There is a brooding evil waiting for them in Venice an evil that would put an end to the flock s interference once and for all With an innocent friend s unexpected return and a pair of secret agents who don t want their help the situation clearly calls for the inner resources of a lady of integrity It s another element I love about these books from Claire to Gloria to Alice to Lizzie and Maggie to Lady Dunsmuir the women in this series generally like and respect each other Other women are not required to be lesser weaker more cowardly less intelligent in order for Claire to be awesome She is not an exceptional woman she is an awesome woman among awesome women Fangs for the Fantasy on A Lady of Integrity A Lady of Integrity is the seventh novel in the Magnificent Devices steampunk cozy fantasy series No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you re in the right place Enjoy Stew Geoffrey Trubow,2015-08-07

Stew is a coming of age story centering on two high school freshmen in the early nineties Jake Greeley and Kevin McCluskey and the fictional western Chicago suburb in which they live Forge Jake is an only child living with his divorced mother while Kevin is the middle child between two brothers Kevin's family is representative of Forge itself very charming and attractive on the surface but disturbed and troubled inside It is told by observing Jake and Kevin separately as they develop and as they fatefully come together at the conclusion Kevin and Jake meet in junior high shortly after the latter and his mother move to Forge They become fast friends instantly although they are very different Kevin is a budding athlete Jake is more interested in music primarily punk and literature He has hardly any contact with his father who lives out of state but enjoys a warm relationship with his free spirited mother This is quite the opposite of Kevin's home life which is tense and often unfeeling For different reasons Jake and Kevin's lives spiral downward to the point where they plan to exact violent actions against their classmates *unexpected ANGEL: Luck, love . . . and a Twist of Fate!* , *Return of the Raider* Donald M.

Goldstein,Carol Aiko DeShazer Dixon,2012-01-30 Jacob DeShazer a farm boy from Oregon joined the army Air Corps at age 27 He had always wanted to be a pilot but when he did not qualify an opportunity opened to become a bombardier By luck of the draw Jacob found himself as one of the 80 men participating in the famous Doolittle Raid over Japan shortly after the bombing of Pearl Harbor During the raid Jacob and his fellow crewmen bailed out over China and were taken captive by the Japanese as prisoners of war for more than three years In that Japanese POW camp every day facing torture and death Jacob's path changed when his request for a Bible was fulfilled Jacob came back to the Christian faith in which he was raised and made a vow to God in his prison cell that if he survived he would return to Japan not as a warrior but as a missionary The Jacob DeShazer story is not only about the bravery of a soldier during war but also about how powerful love and forgiveness can be when given to the enemy *A Literary Cavalcade—III* Robert A.
