Catholic Bible Guide 2015:

The Gospel Truth Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

Divine Scripture in Human Understanding Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Lectio Divina as Contemplative Pedagogy Mary

Keator,2017-12-14 Offering an original application of the ancient monastic practice of lectio divina to the humanities this book demonstrates the need for further emphasis on deep reading reflection and contemplation in contemporary university classrooms Each chapter provides readers with an historical overview of the four movements of this monastic method lectio reading meditatio interpreting oratio responding and contemplatio experiencing wisdom and suggests ways to incorporate these practices in humanites courses Keator demonstrates that the lectio divina method is a viable pedagogical tool to guide students slowly and methodically through literary texts and into a subjective experience of wisdom and meaning *The Bible in American Law and Politics* John R. Vile,2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues **The Decline and Fall of Sacred Scripture: How the Bible Became a Secular Book** Scott Hahn,Benjamin Wiker,2021-05-07 What is wrong with Scripture scholarship today Why is it that the last place one should go to study the Bible is a biblical studies program at virtually any university Why are so many faithful priests and pastors and the people in their pews unaware of the centuries long effort to turn the sacred Word of God into just another secular text In The Decline and Fall of Sacred Scripture How the Bible Became a Secular Book authors Scott Hahn and Benjamin Wiker trace the various malformations of Scripture scholarship that have led to a devastating loss of trust in the inspired Word of God From the Reformation to the Enlightenment and beyond Hahn and Wiker sketch the revolutions and radical figures that led to the emergence of the historical critical method and the pervasive ill effects that are still being felt today **Intimacy** Nicole Jarrett,2023-10-04 How many persons would do anything to meet the person they most admire their favorite movie star celebrity superhero To even get to have a relationship with these persons or those who play the roles is next to impossible These popular personalities hardly pursue or try to know or build a relationship on a one on one basis with their fans Yet the most important being ever known the Creator of the world is seeking out eager to know His admirers fans and loyal followers God the Creator of heaven and earth wants to know you He

loves you He has prepared a life for you and is preparing for you in eternity Intimacy Priceless Times with God is designed to testify to you about how Nicole Jarrett discovered a lasting relationship with God As she traverses the terrain of Christianity she found that Christianity was not a routine and ritualistic event but a relationship of meaningful fulfillment It is a privilege called to action by the Creator God through guidance from the Holy Spirit She discovered that life is a gift meant to be victorious The victorious life needs victorious people The book is designed to strengthen the Christian and bring clarity to their walk of faith Let the love that Christ extends to you be your guiding compass Too many believers are wavering about their identity in Christ which impacts their daily actions speech and thoughts Victory comes through faith in and through Christ Jesus This faith allows you to believe and find a resting place in God This faith establishes a peace stance which ricochets from the heart position of the Christian Therefore this Christian begins to pursue the God of the Bible that is pursuing them As the Christian journeys through the salvation long walk they develop a care less trust for the Trinity This care less trust builds a faithful walk of obedience in Christ In Intimacy Priceless Times with God Nicole speaks about the reality of the walk in Christ and the need to pace yourself and take baby steps All the pillars as she calls the chapters are intertwined designed to work together to build a lasting foundation of boldness and confidence of the believer
