Confessions of a Born-Again Catholic Daniel F. Wiegand, 2010-12 HAVE YOU EVER WONDERED What it means to be born again If Jesus is really present in communion If it is okay to go to Mary and the Saints in prayer How faith and works are related to salvation If the baptism in the Holy Spirit is for real What the Catholic Mass is really all about Why the Catholic Bible has more books than other Bibles If the rules and traditions of the Catholic Church are Scriptural What happened century by century in Catholic Church history and why What God has to say about Christian unity This book answers these questions and many others from the down to earth viewpoint of attorney Daniel Wiegand who after confronting his own questions about Christianity and Catholicism explored the Bible and became a born again Bible believing Spirit filled Catholic If you re not familiar with the term born again don t worry This book is definitely Catholic and has received the Nihil Obstat and Imprimatur If you d like to be a better informed Catholic have a greater understanding and appreciation of your faith get more out of Mass have a closer relationship with Jesus and the Holy Spirit and be able to respond to those who say the Catholic Church isn t scriptural read this book If you have a friend or loved one who has left the Catholic Church this book may draw them back If you re a former Catholic or a non Catholic who has questioned the scriptural basis for Roman Catholicism this book will benefit you as well With over 600 Scripture references and quotations the author literally makes the case for Roman Catholicism

Holy Fable Volume IV Robert M. Price, 2020-04-21 In this fourth volume of Robert M Price s celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned
