God Confidence Ray Roberts, 2014-06-05 The confidence of God is in each of us but finding that and exercising it on a daily basis can be a challenge God Confidence explains how to understand the feeling and concept of living a life in harmony with the Divine and actionable steps every person can take to begin living a God Confident life In simple terms daily experiences are explained in a way that highlights the spiritual essence of very ordinary moments Tools exercises if you will are provided to help each person use those ordinary moments to build a personal relationship with God God may mean different things to different people but in the end there is one power and presence in the universe regardless of the name More importantly regardless of anyone's current belief or lifestyle that presence is in each of us and direct access to it is our right as spiritual beings The challenge is to allow and practice noticing the feeling the joy and the grander experience of life that comes from accessing our spiritual nature Just as a runner trains to run a marathon so to must we practice to reach our spiritual potential God Confidence opens our thoughts and feeling of that potential and outlines the process for reaching the Divine Zone

The Inward Outlook Laura Basha PhD, 2014-08-06 THE INWARD OUTLOOK It is possible for people to see what has been obscured from their awareness It is possible to step from the invisible to the visible We are so afraid that we cannot be what we dream ourselves to be that we stay hidden inside of a persona that we ourselves created for our survival Bring the invisible to light so that you can begin to see your own beauty and claim your wholeness and your true voice When what has been obscured is illuminated you remember who you truly are The result is an inherently synchronized person inspired to learn and grow who is infused with the vitality of self actualization Such self perception cannot be overestimated in terms of its capacity to produce extraordinary positive results Laura Basha PhD The Inward Outlook gently reawakened me to several simple and accessible actions to take to have more joy happiness and peace in life Dr Basha's book has given me the opportunity to slow down my thinking and practice being aware of the reality created by such thinking With her masterful guidance one is able to free one's self up from even long held disempowering beliefs This written teaching is clearly demonstrative of her deep engagement in the practice of the Art of Transformation as well as fresh and engaging leaving one with the recognition that even in the rough spots life experience can be joyful and so much easier This work is phenomenally empowering Xavier Dubois CEO EVOX Omnimedia Laura Basha is a true teacher She has deep knowledge based on years of study life experience and personal introspective work Lewis Fulwiler Senior Consultant Senn Delaney Leadership Consulting Group LLC I am a
