Cleaning Augean Stables Examining Dramas Strategies:

Cleaning Augean Stables Leon Katz, 2012-09-10 After one of the great creative periods of western drama in the late nineteenth and the twentieth century with their experimental brashness and their intellectual reach once celebrated by critic Eric Bentley in his seminal *The Playwright as Thinker* western drama in our time has by and large folded its hands and taken up residence in the cliché marketplace shriveling its ambition narrowing its strategies settling for the intellectually bland and justifying its sluggishness by worn out critical pieties *Cleaning Augean Stables Examining Drama's Strategies* addresses that failure in four ways It critiques those critical pieties counters their irrelevance and argues their diminishing value for our time It reviews the dramatic strategies of great periods of western drama strategies that expanded the reach and power of dramatic statement It quotes and analyses remarkably effective strategies of more recent writers in theatre and film who whether within or entirely outside conventional formats produced brilliantly original models for contemporary dramatic writing models inspiring emulation Overall it explains multiple and wide ranging strategies open not precept driven or marketplace driven to once again as theatre famously did offer moving and compelling voices to its cultures most deeply meaningful dialogues

Script Analysis for Actors, Directors, and Designers James Thomas, 2013-10-08 *Script Analysis for Actors Directors and Designers* teaches the skills of script analysis using a formalist approach that examines the written part of a play to gauge how the play should be performed and designed Treatments of both classic and unconventional plays are combined with clear examples end of chapter questions and stimulating summaries that will allow actors directors and designers to immediately incorporate the concepts and processes into their theatre production work Now thoroughly revised the fifth edition contains a new section on postmodernism and postdramatic methods of script analysis along with additional material for designers

The Dramaturgy of Commedia dell'Arte Olly Crick, 2021-12-30 This book examines *Commedia dell'Arte* as a performative genre and one that should be analysed through the framework of dramaturgy and dramaturgical practice This volume examines the way *Commedia* has been explored in the twentieth and twenty first centuries and details its reinventors dramaturgic approaches both focusing in on specific examples such as Jacques Lecoq Dario Fo and Antonio Fava and also suggesting how modern discoveries may aid the study of historical performance practice It also discusses how audiences read and receive masks the relationship between the different masked and unmasked roles the range of performance activities that come under the umbrella term improvisation the performative construction of a role performed live from a scenario the role of language and embodied locality in performance and the performative relationship between performative *commedia* and literary tragicomedy Its focus is dramaturgy and so it may be read both as a text describing various theatrical practices from 1946 onwards and as a way of creating one's own contemporary *Commedia* practice It is an important read for any student or scholar of *Commedia dell'Arte* and theatre historians grappling with the status of this unique and influential performance form

New Dramaturgy Katalin Trencsényi, Bernadette Cochrane, 2014-04-24 Recent

shifts in the theatrical landscape have had corresponding implications for dramaturgy The way we think about theatre and performance today has changed our approaches to theatre making and composition Emerging new aesthetics and new areas of dramaturgical work such as live art devised and physical theatre experimental performance and dance demand new approaches and sensibilities New Dramaturgy International Perspectives on Theory and Practice is the first book to explore new dramaturgy in depth and considers how our thinking about dramaturgy and the role of the dramaturg has been transformed Edited by Katalin Trencsnyi and Bernadette Cochrane New Dramaturgy International Perspectives on Theory and Practice provides an unrivalled resource for practitioners scholars and students Commedia dell'Arte Scenarios Sergio Costola,2021-11-11 Commedia dell Arte Scenarios gathers together a collection of scenarios from some of the most important Commedia dell Arte manuscripts many of which have never been published in English before Each script is accompanied by an editorial commentary that sets out its historical context and the backstory of its composition and dramaturgical strategies as well as scene summaries and character and properties lists These supplementary materials not only create a comprehensive picture of each script s performance methods but also offer a blueprint for readers looking to perform the scenarios as part of their own study or professional practice This collection offers scholars performers and students a wealth of original performance texts that bring to life one of the most foundational performance genres in world theatre **Race and Role** Rena M. Heinrich,2023-06-16 Race and Role The Mixed Race Asian Experience in American Drama explores the shifting identities of multiracial Asian figures in theater and through theater s generative power exposes the absurd tenacity with which society clings to a tenuous racial scaffolding Ghost Light Michael Mark Chemers,2023-02-23 Since its release in 2010 Ghost Light An Introductory Handbook for Dramaturgy has become the international standard for dramaturgy training and practice As the field of dramaturgy continues to shift and change this new edition prepares theatre students and practitioners to create powerful relevant performances of all types **Shakespeare in Succession** Michael Saenger,Sergio Costola,2023-02-15 It may certainly be said that nothing can be assumed about Shakespeare on the one hand the Elizabethan poet seems to be thriving with more editions productions studies and translations appearing every year on the other hand in a time of global crisis and decolonization the question of why Shakespeare is relevant at all is now more pertinent than ever Shakespeare in Succession approaches the question of relevance by positioning Shakespeare as a participant as well as an object of adaptive translation a labour that has always mediated between the foreign and the domestic between the past and the present between the arcane and the urgent The volume situates Shakespeare on a continuum of transfers that can be understood from cultural spatial temporal or linguistic points of view by studying how the text of Shakespeare is transformed into other languages and examining Shakespeare himself as a kind of translator of previous times older stories and prior theatrical and linguistic systems Contending with the poet s contemporary fate Shakespeare in Succession asks how Shakespeare s work can be offered to the multicultural
