

The CARMELITE ORDER – an ancient religious family in the Catholic Christian tradition – has offered encouragement and wise guidance to those journeying towards God since its origins in the Holy Land around the year 1200.

Through its contemplative spirituality of prayer, community-building and service, Carmel has produced some of the greatest saints in the history of the Church. Their insights into nurturing an ever-deeper relationship with God and with neighbour – often in the most ordinary circumstances of life – continue to inspire Carmelite religious and lay around the world to this day.

This lavishly illustrated book introduces in an accessible way the spirituality and heritage of the Carmelites to those approaching the tradition for the first time, as well as being a useful formation resource for those already familiar with Carmel's riches. Its twenty reflections on different aspects of the Carmelite way of life will provide a source not only of information but also inspiration.

About the Editor: Johan Bergstrom-Allen is a member of the Carmelite Third Order Secular (a Lay Carmelite). He has a particular interest in the Order's initial and ongoing formation programmes. Based in York, England, where he convenes a Carmelite Spirituality Group, he runs the Projects & Publications Office of the British Province of Carmelites. Johan is a founding Board member of the Carmelite Institute of Britain & Ireland.

"This beautiful publication will serve as a sure map and compass for anyone on life's journey who wishes to explore the rich tradition and wisdom of Carmel."

Most Rev. Jeremiah Dwyer, Superior General, O.C.S.O.

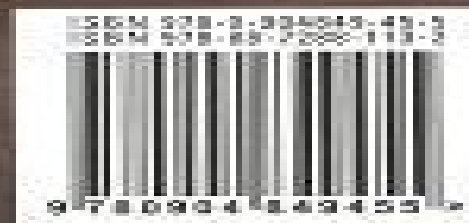

Prior General of the Carmelite Order

What Makes a Carmelite a Carmelite Keith J. Egan,2022-09-14 The 2020 Annual Lecture in Carmelite Studies at The Catholic University of America The New Big Book of Christian Mysticism Carl McColman,2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church s detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman s overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today s seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence **A Revitalization of Images** Gregory C. Higgins,2019-03-05 The philosopher theologian and biblical scholar Austin Farrer 1904 1968 highlighted in his various writings the central role that images play in the interpretation of biblical writings the construction of theological arguments and the descriptions of the Christian spiritual life Theologians down through the centuries have sought to revitalize the central biblical images as they addressed the pressing theological moral and spiritual questions of their day A Revitalization of Images offers students the opportunity to participate in this ongoing creative engagement with ten dominant biblical images that continue to shape the church s beliefs and practices as well as each Christian s own spiritual journey Sound theology is rooted in Scripture conversant with past thinkers and engaged in the present life of the church This dynamic directly informs Revitalization In each chapter we begin with a biblical image that has figured prominently in the Christian theological tradition Next we examine two prominent

voices from the Christian tradition who have drawn upon the image when crafting a compelling vision of the Christian life We then turn our attention to a contemporary thinker who has incorporated or critiqued the image in his or her own theological work This discussion is set within the current spectrum of theological positions including orthodox liberal postliberal and postmodern perspectives

The Carmelite Tradition Steven Payne, 2011-06-01 Eight hundred years ago Albert of Jerusalem gave the hermit penitents of Mount Carmel a way of life to follow Since then this rule has inspired and formed mystics and scholars men and women lay and ordained to seek the living God In *The Carmelite Tradition* Steven Payne OCD brings together representative voices to demonstrate the richness and depth of Carmelite spirituality As he writes Carmelite spirituality seeks nothing more nor less than to stand before the face of the living God and prophesy with Elijah to hear the word of God and keep it with Mary to grow in friendship with God through unceasing prayer with Teresa to become by participation what Christ is by nature as John of the Cross puts it and thereby to be made like Th r se of Lisieux into instruments of God s transforming merciful love in the church and society The lives and writings in *The Carmelite Tradition* invite readers to stand with these holy men and women and seek God in the hermitage of the heart Steven Payne OCD of the Washington Province of Discalced Carmelite Friars is a member of the Carmelite Friars formation team at the Monastery of St John of the Cross near Nairobi Kenya and director of the Institute of Spirituality and Religious Formation ISRF at Tangaza College a constituent college of the Catholic University of Eastern Africa CUEA in Nairobi He is the past editor of *ICS Publications* and of *Spiritual Life* magazine and the author of several works in philosophy of religion theology and Carmelite spirituality He is a member of the Carmelite Forum and of the Carmelite Institute in Washington DC of which he is a past president

The Spiritual Way Philip Sheldrake, 2019-09-06 In *The Spiritual Way* Classic Traditions and Contemporary Practice Philip Sheldrake aims to make the wisdom of Christian spirituality better known to contemporary readers After an introductory chapter on the foundations of Christian spirituality Sheldrake describes its diverse riches through the centuries in terms of five distinctive types of Christian spiritual wisdom illustrated by a rich selection of classical examples The five types are The Way of Discipline The Contemplative Mystical Way The Way of Practical Action The Way of Beauty and The Prophetic Way This book also briefly explores the contemporary interest in spirituality within and beyond conventional religion and suggests how we might engage with these five types on our spiritual journeys in today s world
