

REPORT CARD COMMENTS

For Special Education

- Social and Emotional Development

I must appreciate “_____’s” social skills in our special needs classroom. Her/His inclination towards accepting differences in the abilities of her/his peers is truly remarkable!

“_____” is doing well socially but needs guidance when it comes to conflict resolution. We are helping her/him learn constructive ways to resolve disagreements with peers and others.

“_____” is no longer the person who always took a back seat. She/He looks more confident and regulates her/his impulses well in different circumstances.
