By James Galvin *Fencing The Sky* A Novel 1st Edition:

Fencing the Sky James Galvin, 2013-10-15 A cattleman flees the scene of an accidental murder in the most ambitious and original novel about the modern West to have appeared in some time Kirkus Reviews Stepping his horse through the lush beaver worked draw looking for stray cows Mike Arans never imagined that moments later he d find himself swinging a nylon loop around Merriweather Snipes and pulling until his neck snapped Once Snipes was dead Mike fished a notepad and a stub of pencil from his pocket wrote I did this signed his name and stuffed the note into Snipes s breast pocket Then Mike rode to his house stocked up on supplies and rode due west *Fencing the Sky* is the story of how circumstances spiral out of control the story of gross indifference and avarice in the face of breathtaking beauty Ultimately James Galvin s novel is a book about violence and how it destroys lives when the land is at stake This long awaited lyrical first novel is nothing less than the story of the disappearance of the American West A unique and extraordinary book a mixture of novel and natural history wherein Galvin reinvents the form the true mark of a genuine artist I can t recommend it too highly Jim Harrison author of *Legends of the Fall* *American Book Publishing Record* R.R. Bowker Company, 1978 **Book Review Index** , 2003 Every 3rd issue is a quarterly cumulation *Forthcoming Books* Rose Arny, 1999 *Rabbit Creek Country* Jon Thiem, Deborah Dimon, 2008-10-16 In 1997 Jon Thiem was hiking in Livermore country near Fort Collins Colorado Following one fork of Rabbit Creek he discovered an abandoned house and literally walked into the lives of John and Ida Elliott and Miss Josephine Lamb Always curious about earlier inhabitants of this land and conscious of the changes wrought by modern sprawl on its use and character Thiem pursued the story of these former ranchers for nearly a decade What Thiem and research associate Deborah Dimon discovered is that the three had an unconventional living arrangement that endured for over forty years a relationship that had as much to do with their love of the land as of each other John Elliott s father moved his growing family from Iowa to Kansas in the 1880s then to northern Colorado in 1890 when John was twelve He worked as a ranch hand and eventually became one of the biggest landowners in the area Ida Meyer ventured west from Nebraska in 1897 A serious amateur photographer she worked as a waitress and pie lady at the local hotel until she was in her early thirties She and John finally tied the knot in 1908 and in 1910 he bought a thousand acres on Middle Rabbit Creek Josephine Lamb grew up in the country west of Fort Collins Graduating from high school in 1916 she became a mountain teacher traveling to small remote schools Miss Lamb moved to the Elliott s ranch in 1919 to teach their only child Buck until he left for high school She lived at Rabbit Creek Ranch possibly as John Elliott s lover for many years after that acquiring her own land as time went by Tracing the flawed humanity of these three intertwined lives opens a window on life in the mountain West throughout the last century including ranching methods and women s changing roles as wives mothers and property owners **Visiting Frost** Sheila Coghill, Thom Tammara, 2005 Like Emily Dickinson and Walt Whitman Robert Frost looms large in the American literary landscape straddling the 19th and 20th centuries like a poetic colossus whosoever desires passage must at some

point contend with the monolithic presence of Robert Frost As they did in Visiting Emily and Visiting Walt in Visiting Frost Sheila Coghill and Thom Tammaro once again capture the conversations between contemporary poets and a legend whose voice endures In his introduction to the collection Frost biographer Jay Parini likens the poet to a great power station one who stands off by himself in the big woods continuously generating electricity that future poets can tap into for the price of a volume of his poems A four time Pulitzer Prize winner whose work is principally associated with the landscape and life in New England Frost 1874 1963 was a traditional psychologically complex often dark and intense poet In Visiting Frost one hundred homage paying poets some who knew Frost most only acquainted through his work celebrate and reflect that intensity in effect tapping into his electrical current By reacting to specific Frost poems by reinventing others and by remembering aspects of Frost or by quarreling with him the contributors speak on behalf of us whose lives have been brightened by the memorization and recitation of such poems as The Road Not Taken or Stopping by Woods on a Snowy Evening As the poets pay tribute to Frost s place in American poetry and history they suggest more than forty years after his death just how alive and vital he remains in our collective memory The Wide Open Fredericka Hunter,Ian Glennie,2008-01-01 It is hard to love the high cold plains of the American West They are vast and harsh and demanding And perhaps because they are so hard to love prairies challenge the imaginative mind and the adventurous heart The Wide Open reveals how some of the most interesting and accomplished writers and photographers in the country have met that challenge and given the genius of the prairie a vision and a voice Their stories are as diverse as the tellers ranging from fiction by Barry Lopez Richard Ford and William Kittredge to the childhood histories of Mary Clearman Blew and Judy Blunt and the nonfiction narratives of Jim Harrison Gretel Ehrlich and Rick Bass There are works by Native American prairie dwellers such as M L Smoker and James Welch and the photographic interpretations of Lee Friedlander Lois Conner and Geoffrey James Personal or poetic journalistic or scientific these works eloquently attest to the prairie s abundance in all its human and natural variety offering pictures as wide open and rich as the land they depict **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped,1978 **Library Journal** ,2000 The Book Review Digest ,2004
